All you need is a bottle of bubbly, a little space, and we'll come prepared with everything else!

TRAVEL At BB we come to you! We have hair, makeup, and nail artists available for travel all over the Northeast including the 6 New England states and parts of NY. Our standard travel fee per artist is \$150 for the Team Artist tier & \$200 for the Senior Artist tier for the first 20 miles traveled with an additional \$2/mile traveled roundtrip thereafter.

MINIMUMS To ensure the integrity of our artists' work, there is a \$1500 minimum on Team tier weddings and a \$2000 minimum on Senior Artist tier weddings for the first artist booked. This is based on services alone and excludes trial run costs. Additional artists are booked with an \$850 per Team artist minimum & \$1150 per Senior artist minimum. (It's all in the...) DETAILS

If you're a detail loving kind of human like we are, we're going to get along juuuust fine. Read on to know exactly what to expect with all the nitty gritty of reserving your date with us and prepare to be delighted!

EVERYTHING YOU NEED TO KNOW *And more!*

ADDITIONAL ARTISTS Your wedding will be equipped with 1-4 artists depending on the number of services and timeline we are working within. For wedding parties with more than 8 services, additional artists may be needed to accommodate everyone in a timely manner. To maintain the integrity, skill, quality, and experience of the artists we hire and work with, a \$450 fee will apply for each additional artist added after the first one regardless of the tier booked. If a shorter timeline is requested for completing wedding day services, additional artists may be added with this fee to accomplish this. All individual artist minimums must still be met regardless of this fee or the number of artists.

EARLY MORNING WEDDINGS Part of our honor is being bright eyed and bushy tailed even early in the morning! To accommodate events with an arrival time between 7am and 8am, a \$200 Early Bird fee will apply per artist and will be billed in 30 minute blocks for each half hour earlier thereafter.

LAST MINUTE BOOKING Last minute wedding? We've got this! To properly accommodate any wedding or event booked with 30 days or less notice, a \$400 last minute booking fee will be added to ensure we are able to properly prioritize your wedding to the top of our queue for expedited booking, scheduling, preparation, and team assembly that normally spans 6 months to a year's time.

PARKING, LONG DISTANCE & FERRY TRAVEL We come to you, wherever you are! Parking, valet, ferry, and/or other fees that apply surrounding the wedding, event, and/or trial run will be due in advance or at the time of occurrence if it was not previously paid for. For the safety of our artists, client locations with an arrival time that requires the artist(s) to leave their homes prior to 5am will require overnight accommodations on site provided by the client. For ferry travel, there will be a \$300 fee per artist to account for the extended wait times and ferry travel on both ends.

RESERVING YOUR DATE We are so truly honored to be working with you! To make it official, we need a signed contract with a \$600 retainer if working with the Team tier and an \$800 retainer if working with the Senior tier. If there is more than one artist being contracted, regardless of tier, an additional \$200 retainer per additional artist will need to be paid. All retainers are non-refundable and non-transferable and count toward your wedding day contract. All booking is done through Blushing Brides. After your date is reserved, all additional communication, changes, updates, questions, etc. will be done directly with your primary artist! This allows you to build an incredibly strong bond and relationship with your artist and feel as though your bestie is showing up on your wedding day rather than someone you barely know. And we love that for you!

PAYMENTS All retainer payments are made through Blushing Brides directly. All remaining payments (including final balance, trial run, and wedding day add-on payments) will be made directly to your primary artist. Payments are accepted in the form of credit card (Visa, Mastercard, Discover) only. The trial run is paid upon booking the trial run. Any add-ons that take place at a trial or on the day of the event or wedding will be charged to the card on file in full automatically. The final balance is paid in 2 installments with 50% of the final balance paid 90 days from the event and the remaining 50% due paid 30 days from the event. Any contract changes prior to the event that result in additional costs will be paid when the contract changes are solidified, rather than being paid with the final balance. Any late payments will incur a \$50 late payment fee with \$25 added per each additional day past due. Bounced or returned checks will incur a \$50 returned check fee. All payments made are non-refundable.

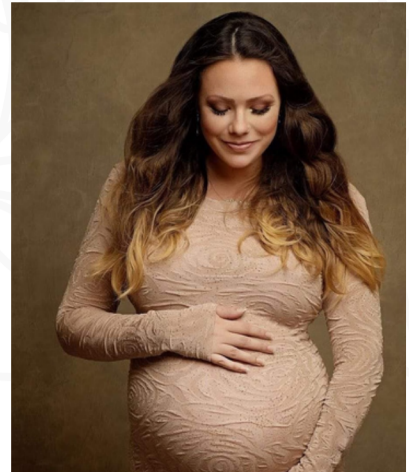

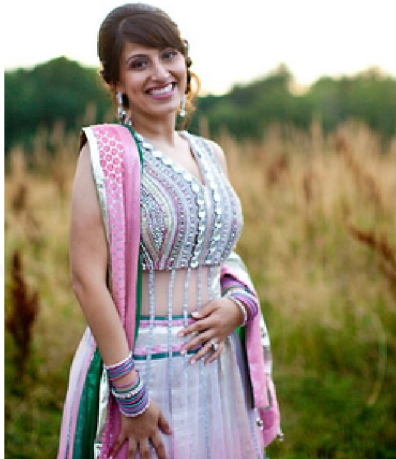

CANCELATIONS A credit card is kept on file for all bookings including trials. Trial run reschedules made with 36 hours or less notice will be rescheduled at the full trial cost. Contract additions may be made at any point, if time and availability allows. Should the client cancel some or all of the booked services after signing the contract, the full amount of the original contract is still due. If a service needs to be canceled but another person would like to replace that service, no fees beyond the fee of the original service will be charged. If all services are canceled, the remaining contract balance is due immediately.

MILITARY DISCOUNT We appreciate the immense hard work you and your partner have done to help our country. We would like to recognize your selfless contributions by offering \$50 off any wedding contract to active duty or reserve military couples as a small token of our gratitude. We appreciate you more than you know and we thank you for your service.
