WEDDING PACKAGES

BRONZE WEDDING FILM - $1,000

Includes 5 hours of shooting the wedding day that will be edited into a 2-3 minute "Wedding Short Film." This is typically enough time to capture the ceremony and the reception. Please contact for more info.
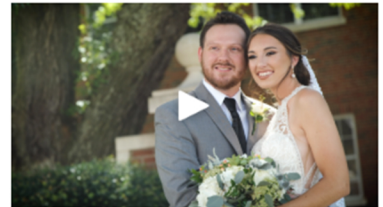

BOOK THIS PACKAGE

SILVER WEDDING FILM - $1,500

Includes 8 hours of shooting the wedding day that will be edited into a 3-4 minute "Wedding Short Film." This is typically enough time to capture some "pre-ceremony" things like a first look, the ceremony and reception. However, this package does still require some clever scheduling to fit it all in. Please contact for more info.

BOOK THIS PACKAGE

GOLD WEDDING FILM - $2,000

Includes up to 10 hours of shooting the wedding day that will be edited into a 4-5 minute "Wedding Short Film" This package basically gets you a videographer for the day. Typically the videographer can comfortably capture getting ready, first look, ceremony, reception, etc. There is very little need for strict scheduling with this package. Please contact for more info.

BOOK THIS PACKAGE

WEDDING ADD ONS

TRADITIONAL WEDDING FILM - $500

Traditional wedding videos show the entire ceremony. This add on includes full coverage of the ceremony. You will still receive a "highlight video" but you will also receive a "full ceremony video". Basically it will look a lot like your highlight video until it gets to the ceremony. Then it will play through the entire ceremony with pastor and bride and groom audio. Please contact for more info.

BOOK THIS PACKAGE

REHEARSAL DINNER FILMING - $250/HR

Speeches made at the rehearsal dinner are some of the most precious memories from a wedding and they don't even happen on the wedding day! With this add on we will come to the rehearsal dinner and film speeches and toasts. That footage will be incorporated into the wedding package you've chosen. You will also receive a video of all the speeches one after the other. Please contact for more info.
