

WEDDING PLANNING RATES

2023 + 2024

A. Full Wedding Planning

A-to-Z planning includes: venue search (if needed), recommendation and coordination of all vendor services, contract negotiations, overall design and concept, hotel room block booking, invitation supervision, floral design supervision, lighting design supervision, hair/makeup recommendation, menu and beverage planning, music/entertainment supervision, transportation booking and coordination, photography and video coordination, ceremony coordination, floor-plan design, timeline creation, and day-of direction of all vendors.

In short, you need not make a move on your own. Well Wed is beside you every step of the way with organizational tools, prompts, suggestions, and solutions. If event location is more than 3 hours from Bozeman by car, travel expenses and any required overnight accommodations are reimbursable expenses.

Two event assistants are included on the wedding day.

Services do not include consulting/styling of wedding clothing or jewelry.

\$6,750 to \$12,500 depending on size, number of events, and location

B. Month-of Wedding Coordination

Up to 12 hours on day of wedding plus up to 3 hours in advance of the wedding for one in-person meeting at venue. You will also receive a list of tried-and-true recommended vendors. Unlimited e-mail exchanges, telephone and Zoom calls are included beginning 30 days prior to wedding date.

Two event assistants included on the wedding day.

Services do not include consulting/styling of wedding clothing or jewelry.

\$2,750 to \$5,500 depending on complexity and number of events (e.g. rehearsal dinner)

C. Venue-Search Consulting

You will be provided with a list of up to 6 locations that will suit your style and budget and have availability on your date. *This option is available for Southwest Montana venues only.* You will also receive a list of recommended local vendors.

\$750
