#### Vows

Your wedding vows are some of the most sincere and heartfelt words you will ever say to your significant other. Whether you would like to use traditional vows or ones you and your partner have written, Four Corners can help you craft special vows for the most special day of your life!

# Pre-Marital Counseling

Your wedding day is incredibly special, and marriage is one of the most significant decisions you will make in your life. Four Corners can help you prepare for the big day with pre-marital counseling. Counseling includes one individual assessment per person and two sessions with the couple to explore a variety of topics every couple should discuss before getting married.

# Ceremony

Although the vows are what make a marriage official, there's so much more to a ceremony to ensure everything runs smoothly. Officiant duties for the day of your ceremony include signing all necessary paperwork and meeting once prior to the wedding to discuss details.

# Rehearsal

Rehearsing for your big day can help relieve stress and make sure everyone is on the same page. Gold and platinum packages include officiating during the rehearsal to direct proceedings and ensure everything will run smoothly on your wedding day!
