Free Quote and Consultation

Congratulations on your upcoming wedding! I'd love to learn more about the vision you have for your special day. During our discussions we will talk about style, theme, color scheme, shape, flower varieties, and budget. It is important to me to learn about your personal style, likes and dislikes to create timeless designs that wow you and your guests. A quote outlining flower choices and estimated prices will be sent after our consultation. We can also consult over email and messaging if that works better into your schedule.
