Kevin Rist productions was the best choice we ever made for our wedding [...] we loved the interviews with our bridal party; they made the video seem completely personal and gave us new memories we wouldn't have seen on that day.

-COREY AND LAUREN HILL

If anyone is thinking about hiring a videographer for their wedding/event, do it. [They went] beyond the call of duty on the wedding day, and we greatly appreciated it.

-MATT & KAITLIN STEPHENS

When I got engaged last year, choosing a videographer was a no-brainer. [Kevin] explained every single detail throughout the planning process, there was no confusion ever.

-JOSHUA AND NIKKI BRAUN

Communicated with us and delivered everything we wanted and more [...] definitely recommend to anyone that is looking for anything to be professionally videoed.

-CODY & CHELSEA PETERSON
