

Welcome to Oakryn Hall

Oakryn Hall is a wedding venue located in Southern Lancaster County, PA. Saturated in rich local history, this charming destination is an ideal place to exchange your “I do’s”. It is known to play host to all kinds of nuptial gatherings including rehearsal dinners, showers, ceremonies, and receptions. When the building was initially constructed over a century ago, it was designed as a chapel in a completely different location. Dismantled and purchased in 1907; the remaining materials were moved to its current home. After changing ownership several times during the 1900s and early 21st century, it was bought in 2014 by the Young Family and in 2023 by the Osborne Family. Both families remain deeply rooted in the Southern End.

The warm and cozy interiors of Oakryn Hall are defined by its dark hardwood floors and walls. Its expansive space provides endless possibilities when it comes to your reception layout. Large gothic-style windows on either side of the room exude visual intrigue while also allowing ample natural light to flood in.
