*Investments are listed as costs per single item

*This tool is used as a general estimator. This tool is intended as a guide to best assist clients in budgeting a minimum for event flowers, and is not used to calculate your custom event quote.

* Floral market prices and availability change daily, and investments outside of these parameters are possible.

*This resource does not include fees: delivery, extra supplies, rentals, or on-site install/set-up and strike.

*We currently do not require a minimum for an event order
