## GET TO KNOW ME

My love for photography began  
several years ago, shortly after my  
son was born. I started taking photos  
as a hobby and very quickly realized  
how much I would love to make a  
career out of photography!

I am a wife to my high school  
sweetheart, Lewis, and a mom to a  
sweet little boy, Fletcher Jude. Some  
of my favorite things are Gilmore  
Girls, Oreos, music, and spending  
time with my family and friends.

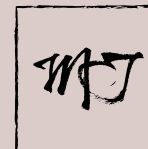

I am 100% an extrovert! I absolutely  
love meeting new people and  
building new relationships. My work  
reflects this as I strive to capture  
real emotion and joy in every session.

I work hard to bring out the fun  
smiles and giggles in every one I  
meet and photograph.

I am often mesmerized by everyday  
things such as big beautiful trees  
with greenery that drapes to the  
ground or the way the sunset hits a  
downtown building just right, casting  
an orange glow over the city. I love  
when I realize a client has become a  
friend! That is the pot of gold at the  
end of the rainbow for me!

I can't wait to connect with you and  
get to know you more!
