CUSTOMIZATION

Open booth, closed booth, custom photo layouts, custom backdrops, themed props. If you've seen it and want it at your event, we can recreate it.

DELIVERY & SETUP

The booth will arrive one hour prior to your event, ensuring that all components are in working order and ready to go for the arrival of your guests. Included in pricing!

DIGITAL COPIES

A flash drive containing all photos taken throughout the event will be given at the end of the event. Uploading of all photos to Facebook available upon request.

BOOTH ATTENDANT

Although the booth is self automated, a professional photo booth attendant will be present at all times to ensure your guests have an awesome time.
