PLANNING PACKAGES

Full Service Wedding Management

There are so many aspects to creating an event and bringing your idea to life. So many directions to go in from; style, location, food, budget, and date/time. To get the perfect combination of all the above is what you can rely on me to help with. This planning time frame is 9 months or more until you say I do from start to finish. Complete timeline, vendor and budget management. Unlimited email and dashboard communication. We would have an average of 4-5 site visits. I will assist with all the vendors and so much more. Starting rate of \$3,500.

60-90 Day Wedding Coordination

The style, theme, and location is one thing, but the flow of the event is the most important.

Lets discuss seating arrangements, entry, serving, and much more. This package is for those couples that already had a head start on planning however I will focus with design and catering! At this 2-3 month time frame we are finalizing last minute details. All your Day of needs will be met and your nerves at rest. This package starting rate is \$2,000.
