# CONGRATS

I am SO excited you've had the opportunity to connect with myself and my work, and congratulations again for sealing the deal! I cannot wait to celebrate your future endeavors and support you in this next chapter. A day full of raw emotion and clinking of glasses await, and I'd absolutely love to be a part of your special day.

As a wedding photographer and future dear friend, I adore capturing the dreamy, candid connection between two souls, embracing your heavenly love.

## WHY I CAN'T WAIT TO DOCUMENT YOUR DAY

From stolen glances to cheeky kisses and getting loose on the d-floor, I'll be there to photograph the moments that'll diminish in seconds. You'll forget my camera is even present as you indulge in the moment with your person throughout the day that represents YOU.

Whether you want me to sneaking you out for some sunset photos or be right up the front, rounding everyone up for group photos, I'll be the calming presence you need on the day. Either way, I'll be behind the lenses, not missing a beat.

Hand on heart, every ounce of my energy will go towards creating a gorgeous collection of images to forever relive your day. When you look through the photos, you'll feel the raw emotion that was shared between you, your person, and your people on the day you'll never forget.

# HI, I'M NATALIE

A creative soul with a heart for heavenly love.

From the day I was exposed to the wedding industry, I've feel in love with the authentic connection shared between two people becoming one. I believe, at the end of the day, these true moments, even the smallest ones, are what mean the most. Weddings are filled with these tiny snapshots and the fact that I get to capture them, stop time and hand them onto you means more than you may ever know.

Your vision is my dream. Let's bring them to life so your dream photos land on the walls of your home.

## KIND WORDS

She creates real art and has amazing talent when it comes to both personality and the genuine joy she exudes. She gets the photos edited to perfection and back to you so quickly. I now feel like I have a friend in Natalie!"*

## SECOND

## SHOOTER

### THE PERFECT SOLUTION TO COVER MULTIPLE LOCATIONS OR BIG WEDDINGS.

As much as I'd love to clone myself and be in two spots at once, it's a lot easier to get extra coverage with a 2nd shooter! Which is why I include it in all of my wedding packages. Just for YOU.

#### *Benefits of a 2nd shooter:*

- You have a large guest list and want to make sure we get shots of everyone that's there on the day
- You and your partner are getting ready at the same time, and the locations are far apart
- You want photos of the ceremony and reception styling prior to the arrival of your guests

Basically, the second shooter will act as my wingman/ wing woman, doubling the coverage of your wedding.

We'll team up to ensure that everything is captured, from start to finish, locations far apart. Lastly, having a second shooter will ensure photos are taken of the ceremony and reception styling, undisturbed by guests.

# F A Q

## *Where are you based?*

I'm based in Nashville, Tennessee, but I travel all over the globe to capture heavenly love.

## *Do you photograph internationally?*

You bet I do! Nothing excited me more than the opportunity to shoot a destination wedding or elopement.

If you're thinking of taking your celebrations overseas, please get in touch so we can chat about the finer details.

## *Do you do same-sex weddings?*

A million times YESS!!! LGBTQIA+, no matter how you identify and regardless of how you define your relationship, I'd love to be a part of your wedding day. Love is love and I'm 100% here for it!

## *Do you photograph elopements?*

If you and your partner are thinking of skipping the fuss and running off to do a private ceremony with just the two of you or a handful of your nearest and dearest, I'd be absolutely honoured to document your intimate ceremony. Our elopement packages start at 4 hours coverage, so get in touch if you'd like to learn more. I also create customized packages for my eloping couples.

## *How many photos will I receive?*

You'll receive over 800-1000+ professionally edited photos, depending on how many hours we shoot and how jam-packed your wedding day is!

### *How will I receive my photos?*

Firstly, I'll send you a handful of sneak peek shots a couple of days after your wedding or session. 4 to 6 weeks later, you'll receive a link to your online gallery so grab some snacks and prepare to relive your wedding day. If you've chosen to add on film or a customized wedding album, we'll work together so that ends up in your home as soon as possible.

### *How long will it take to receive our photos?*

It will take roughly 2 to 3 weeks for sessions and elopements & 4 to 6 weeks for weddings to receive your final wedding photos. I put a lot of love and care into perfecting each image, which is why it'll take me a little bit more time to deliver your final images. If you'd like your photos sooner, please ask me about the rush fee.

### *We don't want our photos on social media*

This is your wedding and if you are uncomfortable with your photos being shared on my social media platforms, I will respect that! I always send my couples a "model release" sub-contract that they can choose to sign, unless they don't want their photos on social media!

### *What happens if disaster strikes?*

This has never happened and will NEVER happen. However, if it did, I have contacts all over the world that will be able to step in. These are other talented photographers who will take good care of you. If not, I will send you a full refund and we'll go from there.

## F A Q

### *Do you have a payment plan?*

For regular sessions, a 50% deposit is required and the other 50% is due 7 days before our session. For weddings, we can organize to split your payments into one, two, or three installments. Just let me know what fits your budget best when you send me an email to book!

### *Can I print my photos?*

Of course, I'd love for you to print your favorite photos! You have complete print release so you may print them through whoever.

### *What if I have to cancel or move my booking?*

Life is complicated and the unexpected is to be expected. The deposit is non-refundable as this helps to protect my business due to turning away all other bookings for your wedding date. I hope you understand that deposit is insurance for my business to stay afloat in the event of a cancellation.

### *Do you have any vendors you recommend?*

Yes, from years of experience in the wedding industry, I have come to work with some of the top wedding vendors. I have a list of wonderful vendors that I have worked with + am happy to provide you with that list upon booking.

If you would like specific recommendations, just reach out and I'm sure I will have some suggestions I can send you.

## LOVE NOTES & KIND WORDS

*"Natalie was a staple for us on wedding day!"*

She kept the calm energy, kept us on time, and was the sweetest energy to have around!! She went through my shot list and made sure to get every special moment that we asked for and more! She also was SO fast with galleries and we had around 200 sneak peeks to look through the day after our wedding.. how is that even possible?! My family and friends were so impressed that we had so many so soon. All in all, she is so genuinely happy to be there on your day and it shows.

*Caitlin + Rodney Otto*

*"Natalie made the whole photoshoot seamless."*

Natalie was so easy to plan with. From the beginning I could tell she cared about me and my special moment. I am normally very camera shy, but Natalie made the whole photoshoot seamless. I felt so comfortable. It was honestly super fun, rather in times before it's been a "chore". This doesn't even include the fabulous photos I received. Wow! And they came back fast! Point is, Natalie is amazing! :)

*Alexa Jorgenson*

*"I don't have enough words to describe our experience with Natalie."*

She was truly so helpful throughout the whole process. Ample communication, a meeting early to get to know each other, and the best photo hype woman you could ever ask for. She creates real art and has amazing talent when it comes to both personality and the genuine joy she exudes. She gets the photos edited to perfection and back to you so quickly. I now feel like I have a friend in Natalie!
