PRICING & SERVICES GUIDE

Where modern coastal luxury meets intimacy.

HEY THERE!

YOU'RE GETTING MARRIED, CONGRATS! LET THE PLANNING BEGIN.

Choosing your wedding photographer is a big deal and I'm honored to be considered.

I think the real moments are the best ones. Your wedding photos are one of the last things you have to remember your special day by, your photographer should capture your day exactly as it played out. And they should mesh well with your family, friends and wedding day vision.

That's where I come in.

MADELINE PAIGE

Intentially capturing your love stories

MEET MADELINE PAIGE

I'm Madeline Paige, a Naples native who's obsessed with forehead kisses and all things love.

I've been shooting for about 9 years now, and I've always had a passion for weddings. I'm all at out the intimate details, the moments you'd miss otherwise. Your fiance staring at you in awe, your bestie tearing up at your first kiss, your first dance with your dad— the good stuff!

Your wedding day is arguably one of the most important days of your lives, and it should be treated as such. I'm here to bustle your dress, put on that boutonniere, be your wedding day bestie and capture your wedding day as authentically as your love.

WEDDINGS

Real Love. Real Magic

THE INVESTMENT

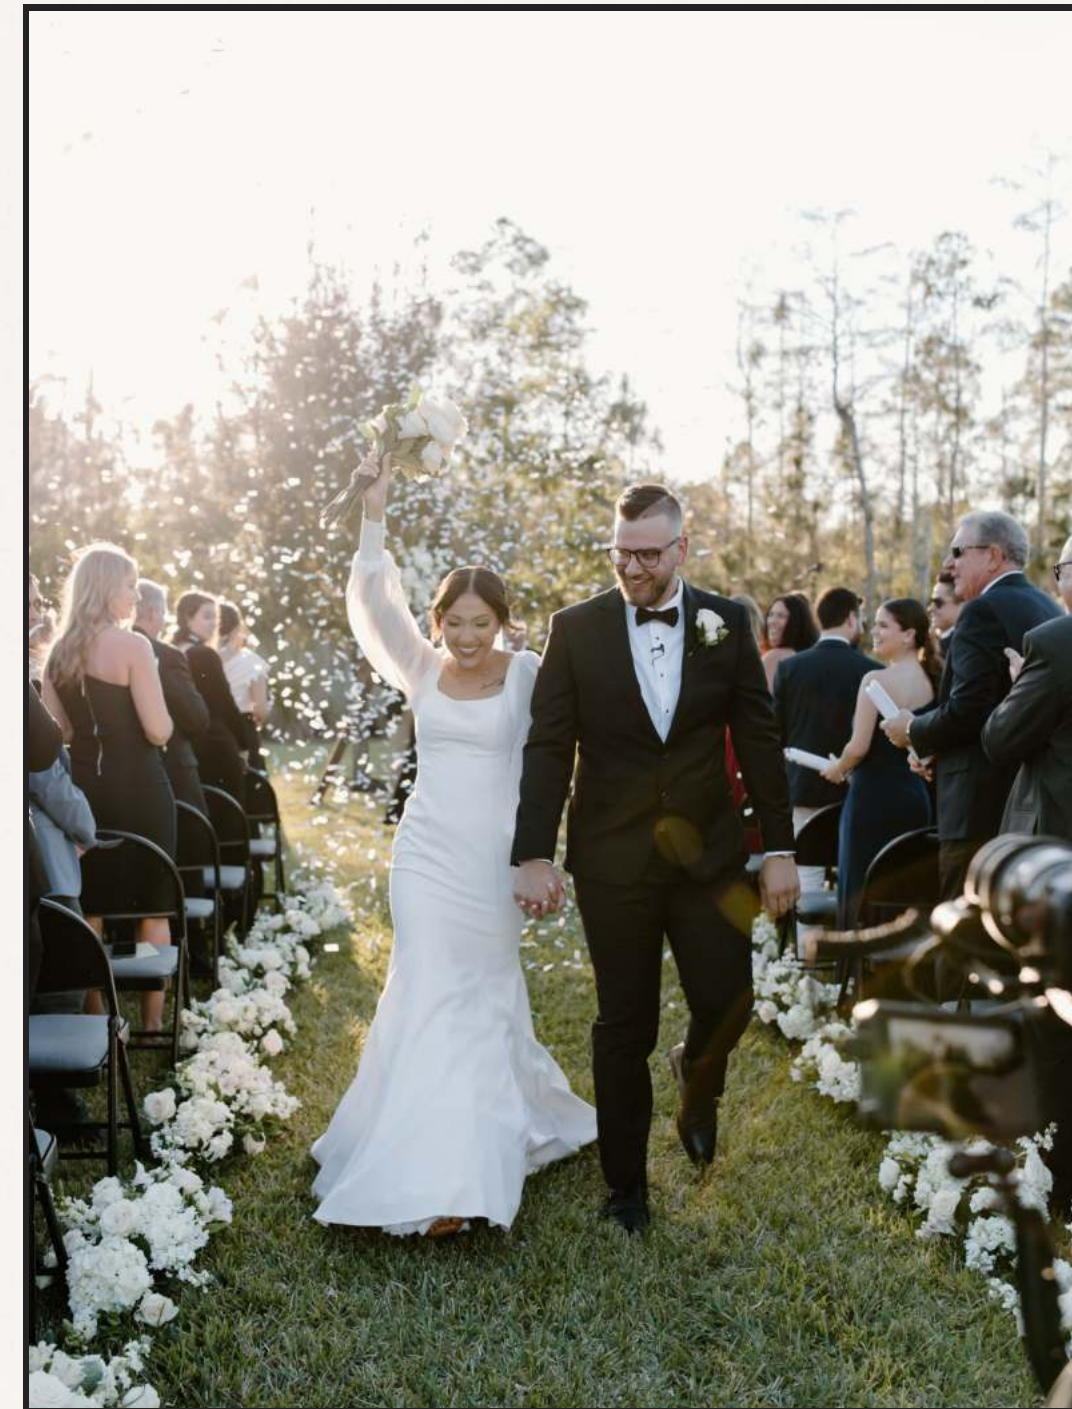

The definition of a wedding is very simple, a marriage ceremony— but weddings are so much more than that. A wedding is two souls joining and becoming closer than ever, ensuring you have a forever best friend, a partner in life and someone to grow old with.

As your photographer, wedding days are my most anticipated beautiful days, and I'm honored that I've been apart of more than 100 weddings. From getting ready photos, to the final dance— and everything in between. It all matters. You've spent months if not years putting together this magical day, you deserve to enjoy every moment of it.

I strive to ensure that my couples, and guests are as comfortable and stress free as possible. This is *your* big day, and it should be everything you've ever wanted. My style is all about capturing you authentically getting lost in the moment.

Inclusive art. Luxury experience.

ENGAGEMENT SESSIONS

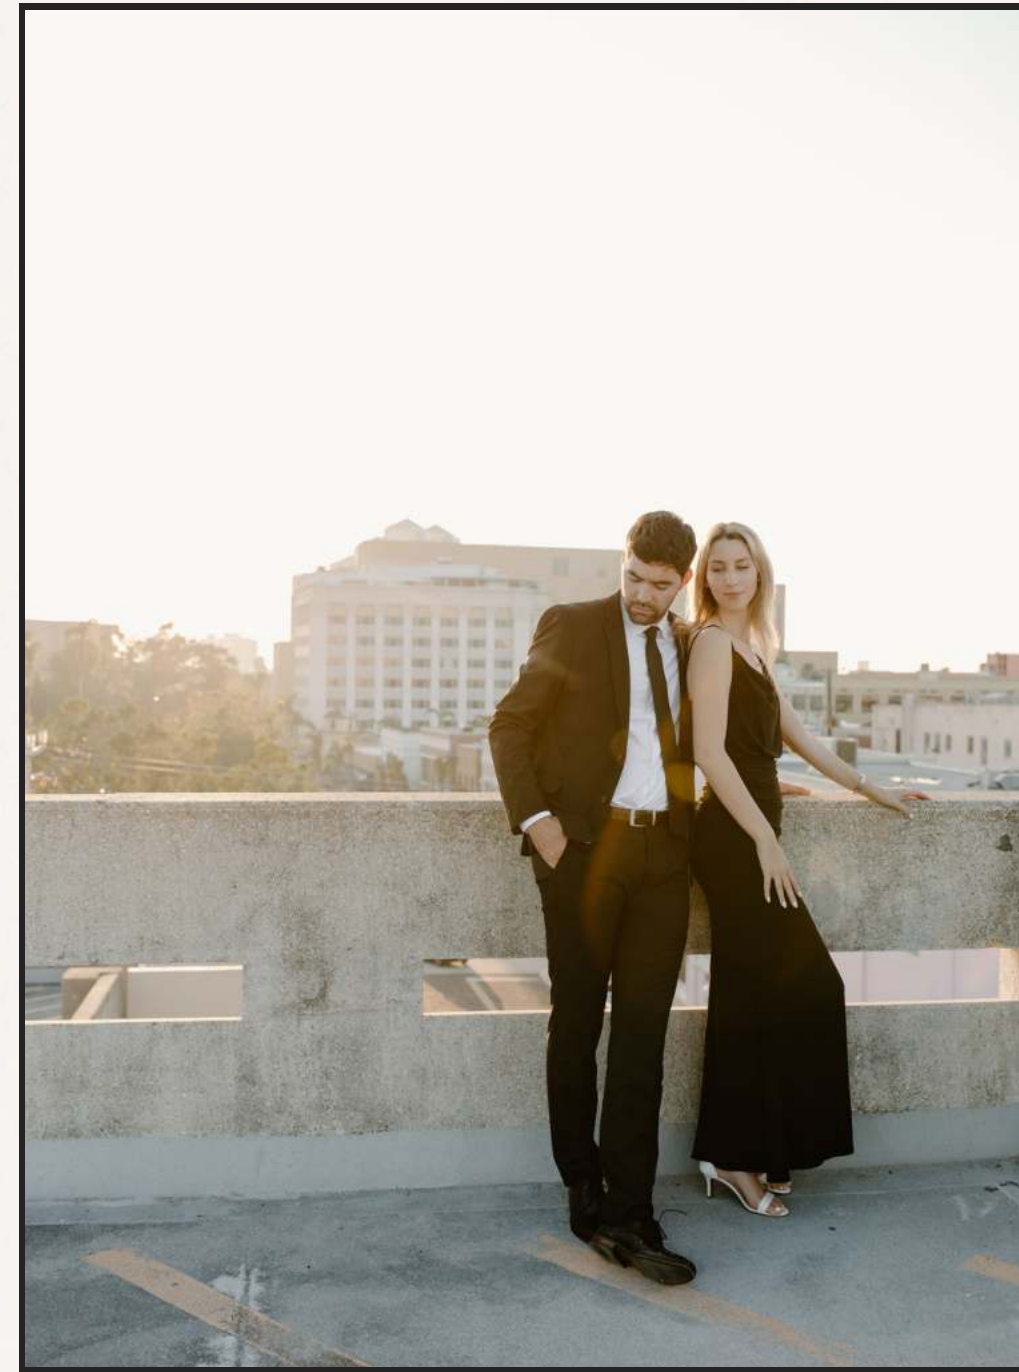

ENGAGEMENT & COUPLES SESSIONS

Your engagement photos are the best way to truly celebrate your love. They're also a great way to kick off wedding planning.

Celebrate your love for each other all while getting to know your photog/wedding bestie. Gone are the days of blindly hiring your vendors and meeting them the day of your wedding. Meeting your photog prior really helps calm those nerves of wondering if you and your photographer vibe well or if you'll like their work!

Let's get fun and creative, met your boo at an ice cream shop? Let's go back and relive that moment! Have a love for the ocean, let's take the boat out and get you in your element. Love the modern architecture? What about a drive to the Ringling? Your engagement photos should encompass *you*.

Madeline truly captured the essence of our day— we feel like
we get to relive our wedding day everytime we look through
our gallery.

FREQUENTLY ASKED QUESTIONS

DO YOU TRAVEL?

Traveling is one of the perks of the job, why wouldn't I want to see the world AND capture amazing photos?! My bags are packed and ready to go!

Traveling outside of 35 miles of Naples, requires a travel fee— airfare, hotel stays etc are to be covered by the client.

WHEN WILL WE RECEIVE OUR PHOTOS?

This is super important because not everyone realizes how long it takes to properly perfect a wedding gallery. Your photos are ultimately the only thing you'll have to look back on your big day in 10 years. I want them to be timeless and beautiful from the day I deliver them to the end of time. I won't rush a gallery, and I only ask for your patience during the editing process.

4 hour coverage - 4 weeks

6 hour coverage - 6 weeks

8 hour coverage - 8 weeks

DO YOU HAVE INSURANCE?

I sure do! (This is ay more important than you think, so make sure to ask your other vendors too!)

HOW MANY IMAGES CAN WE EXPECT?

Ultimately this number will vary based on how long I'm shooting, the events that take place, your timeline, etc. I generally produce roughly 75-100 edited images per hour of shooting.

CAN WE HAVE RAW FILES?

No. You wouldn't go to Outback and expect them to give you a raw steak and it be the same, right? My images are my pride and joy, and I don't give our or sell RAW unedited photos. Your RAW files are unfinished photos that don't accurately depict my work, or your wedding day. RAW files are not available for purchase.

DO YOU BRING BACKUP GEAR?

I sure do! I have 3 camera bodies, multiple lenses and more memory cards than I can even count.

WHAT DO WE DO IF IT'S RAINING AT OUR SESSION?

You tell me! Do you want to be adventurous and shoot in the rain? No? Alrighty then! Let's reschedule on a day that works for both of us and isn't rainy!

DO WE NEED A SECOND SHOOTER?

This is a loaded question. I'll be honest from my own personal bride point of view...yes. I wish everyone could have a second shooter for their wedding day. You get twice as many angles, twice as many photos, and give us more wiggle room on your timeline.

CAN WE SEE A FULL WEDDING OR PORTRAIT GALLERY?

Absolutely! Even better, I'll send you a gallery from the same venue (if I have one).

CAN WE MEET YOU BEFORE OUR WEDDING?

Let's grab tacos! Or if coffee is more your speed we can totally do that too! If you're out of state, we can Facetime!

WHAT SHOULD WE WEAR FOR OUR PHOTOS?

I have an entire style guide I'll send you upon booking your engagement session. Neutrals are always best, blue jeans and khakis are always a great choice! Long flowy dresses are my fav.

I DON'T KNOW HOW TO POSE IN PHOTOS - HELP!

Ooooooh I got you! After doing this for so long, I've learned the ins and outs of posing you and prompting you without looking overly stiff and "posed", I'm all about getting you laughing and comfortable in front of the camera!

I'VE NEVER DONE THIS WHOLE WEDDING THING, ANY ADVICE FOR GETTING THE BEST PHOTOS OUT OF MY DAY?

Yes! In fact, I have an entire Wedding Handbook that I'll send you full of tips to set yourself up for the best photos ever. I'll also help you create your entire photo timeline to make sure the day runs seamlessly and we have time for all the photos you'll ever need!

FREQUENTLY ASKED QUESTIONS

DO YOU RETOUCH PHOTOS?

I believe in retouching your photos ever so slightly, still leaving you to look natural. But I also totally understand being anxious about being in front of the camera, especially on such a special day. Of course if you have a blemish or fly always, I'll take care of that.

CAN WE BOOK YOU FOR ONLY A FEW HOURS?

I can creat a custom package for any clients. Your wedding photos will be the ONLY thing you have left to remember your day, so I definitely recommend capturing the entire event, instead of just a few hours. But I understand budgets and am happy to create a custom hourly rate package just for you.

DO YOU OFFER PAYMENT PLANS?

Yes! I require a 50% retainer on all bookings to reserve your date; after that you have two options: 25% due mid way to your date, and 25% due a week before your date. OR the traditional way, 50% / 50%. Autopay can be set up to make everything hassle free. Looking for a more in-depth payment plan? Let's chat.

HOW MANY IMAGES CAN WE EXPECT?

Ultimately this number will vary based on how long I'm shooting, the events that take place, your timeline, etc. I generally produce roughly 75-100 edited images per hour of shooting.

DO YOU SHOOT ELOPEMENTS?

Of course I do! Not everyone does the REALLY big extravagant wedding thing, and that's totally okay. We can put together an hourly rate that works perfectly with your special day.

CAN YOU HELP WITH PLANNING?

Absolutely! I might *just* be a photographer, but I know my way around planning a wedding. I'm here for all of your questions and ideas.

DO YOU OFFER VIDEOGRAPHY?

Shhh...don't tell anyone but video is next on my to do list! Right now I offer highlight reels.

HOW FAR OUT SHOULD WE BOOK?

I'll be honest, the wedding industry is booming right now, and I'm booking as far out as Winter already. So, the sooner the better. I can't stress enough, don't hesitate to book!

ARE YOUR DIGITAL FILES WATER MARKED?

Nope! They're yours to download and share as many times as you'd like.

DO WE NEED TO FEED YOU AT THE RECEPTION?

Yes, please! No one wants to be working 6+ hours on their feet and never get a chance to eat. Feed your vendors, they'll love you forever.

DO YOU OFFER SNEAK PEEKS?

I sure do! All weddings receive a sneak peek gallery sent to you via email within 72 hours of your wedding date.

MEET BRITTANY

who is Brittany Grace?

ASSOCIATE PHOTOGRAPHER

Brittany is MPP's associate photographer, she's my side kick and right wing. She has been fully trained under me and has worked a handful of weddings with me and for herself. Brittany is here for all of the belly laughs and creative ideas, and you'll love her!

IF YOU'RE NOT AVAILABLE WILL BRITTANY BE MY SHOOTER?

Brittany was brought on as an associate shooter to be able to serve more clients. If I'm previously booked on your date, and Brittany is available, she's your girl! She'll be there! I'll of course be there every step of the way as well.

WILL MY PHOTOS BE THE SAME?

Here's the deal! Brittany was completely trained under me, she's practically my clone when it comes to shooting weddings. I'll still be editing your gallery, so yes! Your photos will be the same.
