KIND

WORDS

"Vance was amazing! I had already booked a videographer for my wedding, but when I saw what he did for my best friend's wedding I knew I had to have him!! I barely knew he was there and the finished product is one that I will hold near and dear to my heart forever. It was a perfect summary of the best day of my life!"

True Productions absolutely knocked it out of the park for our winter Kentucky wedding! Vance and his team went above and beyond to capture my dream wedding. Even with a last minute request of capturing parts of the rehearsal dinner, Vance overdelivered. Not only is his work truly breathtaking and original, he is a pleasure to work with. He can bring any vision to life. His drone shots are spectacular and one of a kind. Vance even coordinated with the airport to gather beautiful drone footage over Keeneland at sunrise and sunset the day of the wedding. He had every detail lined up and planned out. He is hands down the best videographer you could possibly work with and his work is amazing! From the second I received the trailer he put together, I have been in tears over the pure magic and love he captured on our wedding day. You cannot select a better videography team than True Productions.

KIND WORDS

KIND

WORDS

Vance is an amazing videographer. He truly wants to capture your day perfectly. He met with us to discuss all the details, video style, and any specific events we want captured. The areal shots from the drone are a special touch as well. We received a trailer within a few days and the final video and ceremony edit after only a couple weeks. The videos are beautiful and we can't recommend him enough!

A photograph of four young women standing outdoors in front of a white brick wall. They are all wearing short, vibrant floral dresses. The woman in the center is holding a black bottle, and white confetti is falling all around them. They are all smiling and looking towards the camera. A teal horizontal band is superimposed over the middle of the image, containing the text 'NEXT STEPS' in white, italicized, serif font.

NEXT STEPS

An aerial photograph of a group of people in a courtyard. The courtyard is paved with light-colored square tiles and is surrounded by a low white wall. A group of about seven people, mostly wearing red and white patterned dresses, are gathered in the center of the courtyard. Their shadows are cast onto the tiles. The background shows a dark roof of a building. The text "LET'S" is overlaid in large white letters at the top, and "CHAT!" is in smaller blue letters below it. A blue horizontal line separates the top text from the middle text. The middle text is in white and says "Send an email so we can set up a phone consultation to go over all the little details!". Below that, the text "THANK YOU!" is in large white letters, followed by two lines of smaller white text. At the bottom, the website "vance.trueetruetruetvdeoagraphy.com" is written in blue.
