

EAST WOOD BLOOMS

FLORAL ARRANGEMENTS

All my arrangements are made with wood flowers that are pliable and soft - just like real flowers. They are an eco-friendly as they are made from the renewable wood of a marshy plant and a sustainable alternative to cut flowers. They look real and will last a lifetime. Each flower is carefully hand painted and can perfectly match your color swatches.

Bouquets

Classic

The Classic bouquet is round and elegantly simple using greenery + filler as accents to emphasize the flowers.

Garden

Garden bouquets capture the classic bouquet look but adds more greenery, bringing out an earthy rustic vibe.

Boho

Boho Bouquets are long, loose, and free-flowing capturing neutral tones with rustic and vintage vibes.

Wildflower

Wildflower bouquets are vertical sprawling shapes and emit visual beauty. Great statement piece.

Cascade

Cascade bouquets naturally fall into a tear drop shape with a graceful waterfall of flowers and greenery.
