Thank you for your interest in Valley Falls Center. We are a local family and a women owned business with multiple ties to the wedding industry. Growing up in the area, we were always in search of nice, clean, and affordable venues to host family gatherings such as bridal showers, baby showers, and family reunions. We started this business in 2020 with the hopes of providing such a venue and gathering space to the community.

Below is a summary of our offerings and prices to help you navigate through the process of selecting the venue that fits you perfectly. Our Open-Air Chapel includes antique stained-glass windows, repurposed from a local church, and a white shiplap interior/exterior. The large, 3000 sq ft main reception room, with an unobstructed view (ie no support posts blocking the view of the happy couple), includes floor to ceiling white shiplap and white/gray neutral plank flooring. The main reception room includes french doors, windows, and dimmable lighting. From outside the main reception room, a deck overlooks the ceremony area and open-air chapel situated in the woods and surrounded with landscaping. In addition, the main floor has three bathrooms (including handicap accessible) and a full kitchen with rear outdoor access. The kitchen has a refrigerator, stove, microwave, and prep tables your use. The large bridal suite features makeup stations complete with mirrors as well as a portrait accent wall. The venue features a timeless classic style that fits any color palette.

The 8-acre estate is located off I-79, exit 137, on Rt 310 near the picturesque Valley Falls State Park. Our event packages are designed to offer you flexibility in selecting your own catering and vendors (at your own expense) which provides multiple options for a variety of budgets. We have a list of vendors we can share as well as a wide network of wedding vendors; we can assist you in finding additional vendors if needed.
