TAYLOR  
MADE

# Dear Inquiring Couple,

Your wedding is so much more than just a day full of cake & fancy attire. This is a life defining moment for you as bride & groom. This is a day that you have looked forward to because it's the day you say "I do" to your partner. This day matters!

Weddings are exciting, but also they can be overwhelming. Knowing where to start and how to navigate every hurdle to the finish can be daunting. Keeping schedules and finalizing details can honestly frustrate you to the point of giving up.

## But, Don't Panic!

*I want to come alongside of you and alleviate your stress! I want this day to set the tone for the rest of your life. I want it to be full of joy, peace, and all of the love. Let me help you make all of your wedding dreams come true!*

# Meet the Planner

---

Hi there! My name is Taylor Jewitt. I am 28 years old and live in the beautiful state of Tennessee. I love everything about celebrations, love, decor, and organization. Planning Weddings is a passion of mine! I love seeing people begin their journey of Happily Ever After and helping make their dreams come true!

## How I Began Wedding Planning

I started planning small events such as parties, showers, and managing events for organizations. Then, a friend of mine asked me to plan her wedding and the rest was history! I now plan weddings! I love walking with a couple during this process. I get a front row seat to some of the best love stories ever told. And I make new friends along the way! What's better than that?

# Client Testimonial

*“First off, I didn't realize  
how talented you were!  
You amazed me. You  
gave me the wedding of  
my dreams! You have  
such a grace and gift for  
Wedding Planning!  
Thank you so much!  
Everything was  
incredible!”*

# Why do you need a planner?

Weddings are an investment, it's true. But, celebrating your love with friends and family is worth investing in! You should be able to enjoy and participate in this day to the fullest - and so should your family!

There is a lot to navigate through from negotiating with vendors, to creating timelines, and making sure nothing falls through the cracks. Don't face it alone! Let me come alongside of you and make this a season you ENJOY and are fully engaged in!

# Client Testimonial

*I was at peace knowing Taylor knew how I envisioned my wedding, and I didn't have to worry if things were going to look how I imagined. She had everything placed perfectly and the whole day ran so beautifully because of her. I was so thankful I had her be my wedding coordinator. Because of her, I was able to focus on what really mattered; Keaton and I's marriage, and celebrating it with everyone around us. If you're questioning if it's worth it to have a wedding coordinator. BOOK HER NOW! (Before it's too late)! She will go above and beyond what you had imagined for your day.*

The setting appears to be an outdoor or semi-outdoor space with large windows or glass doors in the background.

*“Being a wedding coordinator myself I knew how important it was to have someone who took care of the ins and outs on my special day. Taylor was efficient, organized, timely, kind, and was there for anything that was needed. We started the day off with a rough start with another vendor and Taylor swept in and saved the day with her creativity. I would hands down recommend Taylor over and over!”*
