Everything we offer starts with two people

I can't even describe how my husband and I are satisfied with the services provided by Michael and Rasa. All the planning, the day of the wedding ceremony, flowers, the photos - basically everything exceeded our already high expectations. Putting aside the professional aspect, Michael and Rasa are incredible, kind, and attentive. We felt very comfortable around them.

I'm Michael's biggest fan!!!! When we originally booked we were supposed to have my uncle officiate the ceremony but as most wedding plans go that fizzled out and he couldn't make it. Now the pressure was on to find someone who matched our personality and who showed kindness, fun and genuineness in the way he/she handled the ceremony.
