

# JACOBS BERRY FARM

Just minutes from Lake Tahoe, in the Carson Valley lies a wedding venue that is a piece of living history: a working farm where delicious berries are grown and served at family meals and local restaurants to this very day. Jacobs Berry Farm is a place where spacious lawns, graceful shade trees, and a 100-year-old barn and farmhouse provide the perfect backdrop for a country-chic celebration. Make beautiful memories of your Nevada nuptials, or any special occasion. Call today to schedule a site visit or to book your wedding!
