

### ***How much are our services?***

Our packages and prices get refined every season in order to make sure we are serving our couples the very best we can while meeting our expenses. The way we work with each of our unique couples is different (based on your needs) but these are the things we are always sure to deliver: 1)unsurpassed excellent customer service, 2)a simple streamlined process while working together, 3)consistent reliable collaboration and professionalism. We can assure you our rates are based on our years of experience and expertise, our flexibility and availability and our standard and quality of the services we provide consistently and reliably for you and your guests. If you don't want to gamble and expect only the best from your vendors, let's chat 1(833)WEMIX4U / 1(833)9364948.

Prices for our Bar & Beverage catering services start at \$1,800. Couples who work with us typically spend \$2,900 for our services (and \$34,000 for their entire wedding) with a guest count of 125 guests. Our curated packages include bar staff, waitstaff, bar equipment, glassware, ice, beverages and liquor (2-3 beers, 3-4 wines, 2 handcrafted signature cocktails and variations of one-call drinks) to accommodate a 5 hour wedding and reception (750 drinks served on average) with pick up, delivery, set up and clean up included. We'd love to have a brief conversation and share more specifics about what our services would cost for what you are envisioning for your dream wedding. We are willing and able to put together a payment plan for you! We require a 25% deposit and final balance due 30 days before your event date, but we can definitely split up the progress payments to stay within your budget range and simplify the planning process for you. If you feel like we are a good fit and compliment your budget, let's chat 1(833)WEMIX4U / 1(833)9364948.
