"Love going here for spray tans."

Love going here for spray tans! They do such a nice job. Justine was very patient with me deciding how dark I wanted my tan to be. Thank you!

"Nicole made me so comfortable, talked to me about the process.."

Nicole is one of the sweetest and down to earth people I've come across. Being a plus size girl it's hard to feel comfortable in situations like getting an Airbrush tan I came 45 mins to visit her salon and I would instantly do it again! Thank you so much Nicole!

Donna K.

"Highly recommend Justine for all your brow needs!"

I have been seeing Justine for my brows and just recently tried the brow lamination and absolutely love how they came out. Justine is awesome and great at what she does!

"Color is great, not orange and never streaks!"

Probably the 4th or 5th time I've used Nicole for a spray tan before a vacation or special event. Every time looks amazing. I recommend her to everyone and honestly
