hello

My name is Lynzee.

I'm a portrait and event photographer based in mid-Michigan who has been photographing weddings for over 10 years! I have a fine art background and love to think of new creative ways to get gorgeous photos for each of my couples. Leading up to the wedding day, my goals are to get to know your relationship and help you plan a flawless timeline. On your wedding day, I always want to be more than just your photographer. I have over 160 weddings' worth of experience and I bring it all to the table! I'll keep you calm, focused, and on schedule. I'm great at helping out with bustles, boutonnieres, and giving you an excuse to have a moment alone when anxiety is running high. I always want you to get what you want out of your day. For the majority of the day I like to take a photojournalistic approach but rest assured that when it comes time for formal portraits, I know exactly how to make you look your best and pull out those wonderful candid moments everyone hopes for. I'm most passionate about genuine connections between people and amazing light! I consider myself a golden hour expert and love taking the two of you outside for a few minutes during your reception if you feel like taking a breather. If you're interested in my work, please contact me to set up a consultation!

I would love to chat and see if we are a good fit.

client testimonials

"We LOVE Lynzee! She is unbelievably creative. Her work is top notch- not to mention she goes above and beyond to get the perfect shots! She is responsive, organized, and so friendly. It felt like having a friend by your side throughout the whole day with Lynzee! I will go to Lynzee for everything! If you are considering booking with Lynzee, DO IT!"

Morgan & Dale

"If you have never worked with Lynzee then you are missing out on a truly wonderful session. Lynzee has photographed my family and I a lot this year. She did family pictures, my sister's wedding, and my wedding. She puts an incredible amount of her time and talent into her images and it shows. My wedding was in October and nothing can put a damper on the fall colors except all day rain. We had the schedule planned for months and the night before, I messaged Lynzee and asked if we could change the timeline. Lynzee worked with me and sent me a new timeline, including a first look, which was never the plan and something I clearly had never done. (SO worth it!!) She took care of everything. Lynzee is organized, efficient, kind, thoughtful and seriously talented. If you are even questioning having her photograph your special moments, just do it. You won't regret it."

Kate & Shayne

"If you're looking for an absolutely amazing wedding photographer, Lynzee is your girl! She captured every moment on my husband and I's wedding day beautifully. She's very responsive, organized, and so fun to work with! If you're dying for a certain photo, she also listens to any suggestions for shots you'd like (and totally nails it)! 100% recommend her to anyone and everyone!"

Shelby & Cabien

"Lynzee was absolutely AMAZING! She is so incredibly knowledgeable on her craft, and made the entire planning process a breeze! She was always there to answer any questions I had, and always offered helpful tips and suggestions (which were wonderful, by the way)! Lynzee is SO talented, and we have received so many compliments on how beautiful our pictures are. I seriously can't express enough how professional and talented she is! I would ABSOLUTELY recommend, 100%!"

Ashley & Jonathon

"Lynzee recently captured my wedding day! And wow, she did incredible. She is the best of the best. She knows what she's doing and she gets it done, efficiently and politely. She kept me calm and collected in my moments of panic, or tried her hardest to at least. She truly knows how to capture the love in the air that is magic. I would choose Lynzee again and again, for any type of milestone photography. Will definitely use her again!"
