

RETRO HITS TRIBUTES

Below is the general pricing for our groups. However, modifications are occasionally made based on the specific needs of a client. For instance, adding or removing pieces of a group, length of performance, live or recorded cocktail music, and location of the venue are the most common reasons for price modifications.

The below pricing is for events in the San Diego and Orange County regions. However, all of the groups are available to travel outside of Southern California.

High Tide Society - Yacht Rock - \$5,000 – 8-piece band, full production, and 150 minutes of performance

Dim The Lights - 70's/80's dance club hits/funk - \$5500 – 9-piece band, full production, and 150 minutes of performance

The IN Crowd – 80's New Wave/Brit-Pop - \$4000 – 6 to 7 piece band, full production, and 150 minutes of performance

Bad Hombres – Outlaw Country (70's/early 80's Country hits) - \$3000 – 5 to 6 piece band, full production, and 150 minutes of performance

Again, the above pricing is a general cost for each group. Feel free to reach out with any questions regarding price point options. We are always open and eager to meet the needs of our clients to the absolute best of our ability.
