## 2 Book

Secure your date by paying a 25% deposit. Congrats! That's one thing off the list!

## 3 Plan

We'll have 1 - 2 more chats as you plan your celebration. I'm always available to answer any questions and help make the day run seamlessly.

## 4 Show time!

One week prior to your date we'll finalize a detailed schedule for the day and you'll receive a reminder to complete your investment. Then it's just "I do"!

# Pricing + Services

I like to keep things simple for both of us! By following these steps, my couples can create a highly customized plan that's perfect for them and provides the most value.

## 1.) The Basics: \$4000

Includes:

- 6 Hours of coverage day of
- Highlight film at least 5 minutes long
- Ceremony and toasts film (usually about 30 minutes)
- Four 4K cameras and HQ audio recording all day
- Custom color grading and sound design

Yes, a separate ceremony and toast film is included! Why? It just makes sense! It's rare my couples aren't looking for a full documentation of their ceremony and reception to enjoy for years to come, and filming this way has become a no-brainer for me.

## 2.) Add Time: \$250 per hour

You have the option to add more coverage time if you need it. Most couples increase coverage to eight hours total.

## 3.) Optional Add-Ons

ADD A SECOND CINEMATOGRAPHER	SIX HOUR COVERAGE TIME	\$500
WEDDING TEASER TRAILER	1 - 2 MINUTES	\$600
RAW FOOTAGE DELIVERY	INCLUDES HARD DRIVE	\$200
LIVE STREAM SERVICE	WIFI DEPENDANT	\$400
PRE-WEDDING PORTRAIT SESSION	MAY INCLUDE TRAVEL FEES	\$500

Destinations weddings may include a travel fee.
