The ELEMENT Wedding Reception Package (5-Hour Block)

Our standard wedding package fits nicely with most weddings, although please feel free to call and discuss any unique requirements you may have for your special night. Tony Koussa Productions provides the sound system, stage lighting, a microphone for toasts/speeches, along with handling all emcee needs. The Element will learn songs for your special dances and do everything we can to provide you with exactly the musical atmosphere you envision for your big day. With 40-50 weddings booked per year, we not only have the experience needed to make your reception smooth, classy, and fun, but we also love what we do and truly care about you! The ELEMENT is comprised of 5 musicians and always features vocalists Erin Rossi and Tony Koussa.

1-hour DJ Cocktail Music

4-hours full band for light dinner music and dancing

Price: \$5350.00

The ELEMENT w/Horns

The ELEMENT has no problem rocking the house and keeping the energy going as a 5-piece band, but sometimes the event calls for the class and vibrance of a big horn section. We add 3 fantastic horn players so we can really nail some of the classic Motown and bigger band music.

Price: \$7450.00

Cocktail Hour Options

For an additional musical appeal to your event, we offer live musicians for classy, quiet music to add to the mood the cocktail hour. We recommend solo Jazz piano or acoustic guitarist with vocals, but feel free to make a suggestion based on your preferences.

Price: \$350 for 1 musician, add \$150 per additional musician

Early Setup

Guests typically begin arriving at the venue at the start of cocktail hour which, for most weddings, is the start of the musical entertainment. Sometimes, however, there are circumstances that require the band to set up early, such as an on-site ceremony, for which we would need to set up before guests arrive. If the band needs to be in place before the contracted time, there will be an additional charge.

Price: \$250/hour

Extra Time

Based on our experience, the 5-hour time block works very well for most weddings, but if you think your event should go later, we'd be happy to provide more time for you.

Price: \$Prorated per 1/2 hour
