Party Time Productions was an absolute perfect decision for our wedding reception! Lee is an unbelievable DJ & did everything we asked & more. Not only does he know how to get the party started, he also stepped in & helped decide when & where we should take our sunset pictures. We are so happy that we decided to have Party Time Productions be apart of our special day & would highly recommend using them for any event big or small.

PTP's customer service is top notch. Lee was always willing to work with us & provided us with an amazing DJ. KP arrived 4 hours early to make sure everything was set up & good to go before the ceremony. He was willing to work with our schedule as we moved things around & he kept the crowd engaged! Thanks again for entertaining us all night!!
