Lilylux Studio

**WEDDING HAIR AND
MAKEUP**

Background

My name is Haley Hargrove and I am the owner of Lilylux Studio. I have been doing makeup and hair services for weddings as a side gig for about 5 years as it has always been a service I am truly passionate about.

In 2021, I made a decision to follow my dreams by going back to school and getting my cosmetology license. I then opened my own business right out of school and dove head first! I have an immense passion for this industry and I am constantly learning and improving my skills to become a better stylist and makeup artist. To me, there is no greater satisfaction than making my clients feel and look great. I would love to help make your big day all you have ever dreamed of and more!
