

SAN JOAQUIN WINERY

Hello! Thank you so much for your interest in San Joaquin Winery as a venue! We would love to be a part of creating a beautiful and memorable event for you. Attached are pictures of our previous events, take a look!

Our venue perfectly accommodates indoor and or outdoor events depending on the type of event you would like. San Joaquin Winery's indoor Tasting Room has a capacity of seating up to 100 guests. The covered patio space that is attached to the Tasting Room, seats up to 180 guests. We also have a beautiful lawn area that is available to use for events as well and seats up to 300 guests and normally used for bigger events. Our amphitheater space is great for live musicians or perfect for a DJ set up and a dance floor!

Rentals with SJW includes the entire venue (all spaces), set up and break down of chairs and tables, trash cans, ice, bartenders, and a bridal suite if needed.

Things that we DO NOT offer are linens, chinaware, decorations, catering and service/wait staff.

Please note: All alcohol **must** be purchased through San Joaquin Winery with the requirement of two cases of wine per 100 guests (*12 bottles in each case*) in which will be given a discount of 20% per transaction. Alcohol includes wine and beer **ONLY**; hard liquor is **NOT** allowed on premises. No outside alcohol is allowed on site.
