FIRST THINGS FIRST!

INTRODUCTION

Heyyo!

You're getting married, wvhhhaattt!!! So happy for you two! If you're reading this, it means you connected with my work in some way, whatever that may be. There is honestly no better compliment than a couple trusting me with documenting their love story.

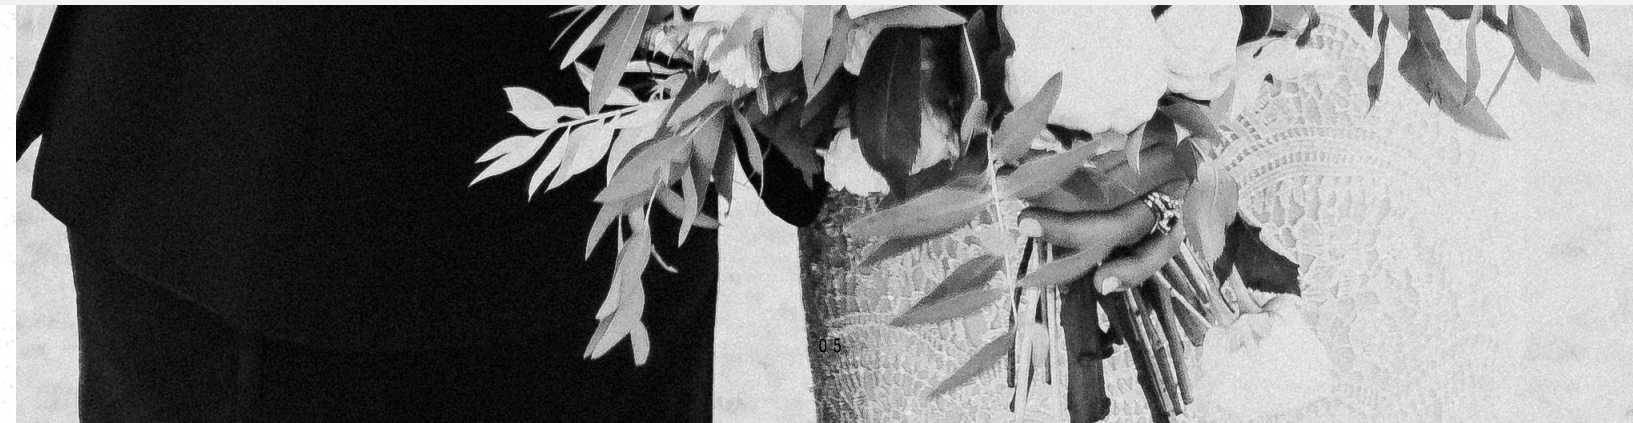

This means you have to be okay with me capturing everything! I wanna capture it all. I wanna capture your dad embarrassingly smoochin you on your cheek after seeing you in your dress for the first time. I wanna capture your 80 year old grandma

twerking on the dancefloor. I wanna capture your windblown hair, your dirt stained dress, the unexpected tears streaming down your face. This is about that real stuff.

I've been capturing moments like those since I was 12. I remember my mother brought home one of those point and shoot cameras one day and I immediately ran off with it while she wasn't looking! Little did I know I had just discovered one of my deepest passions in life, photography. Later on down the road I had discovered my need to also create small films with friends and family. Fast forward 10 years and that's evolved into couples, engagements, elopements, and weddings. I'm going to be completely honest, I love what I do.

At the end of this, I want to be more than just someone showing up with a camera. I want to basically become your BFF so I can capture your love story from every possible angle.

“Photography is a way of feeling, of touching, of loving. What you have caught on film is captured forever... It remembers the little things, long after you have forgotten everything.”

— Aaron Siskind

“Gage exceeded our expectations. He was very polite, professional, and easy going. He didn't make us feel uncomfortable taking pictures and took amazing shots! Not only was he very responsive with my (im sure annoying) questions, but he was very friendly in person and showed up on time. I am in love with our pictures and cannot wait to post and share them with all of my guests. Do not hesitate in booking him. You will not regret it!”

BEING A GREAT
PHOTOGRAPHER & FILMMAKER
DOESN'T START OR END
WITH ME. I ENJOY GETTING
TO KNOW WHO I'M
CAPTURING. I LOVE CREATING
A RELATIONSHIP WITH MY
COUPLES BECAUSE WHEN I
START TO FULLY UNDERSTAND
THE NUANCES, QUIRKS, AND
QUALITIES THAT MAKE
YOUR LOVE UNIQUE, IT ALLOWS
ME TO TRANSLATE THAT INTO
MEANINGFUL PHOTO & FILM.

ENGAGEMENT SESSION (PHOTO OR VIDEO)	\$350.00
REHEARSAL DINNER COVERAGE	\$350.00
HONEYMOON/ANNIVERSARY SESSION	\$350.00

INTERESTED IN ADDING VIDEO? 80% of my couples regret not adding videography coverage. I often hear how they wish that some look, feel, and aesthetic that was represented in their photos, was also reflected in their wedding film. Having to hire another vendor for video can actually end up costing you twice as much, and ultimately end up leaving you with a video that isn't accurately representative of your wedding day.

Here's what's included... A 6-10min Highlight Reel of your wedding, including any and all RAW footage along, Drone Footage, and separate Full-Length videos of your ceremony and speeches/toasts. All of that plus the same colors, feel, and emotional representation found in your photos.

Choosing your photographer/videographer can be tough. Keep in mind that you're not just choosing someone to show up with a camera and shoot, but you're also investing into your future. These are the images & film you and your family are going to look back on time and time again as you move through life.

Is there something you desire that's not listed above? Lets talk! I love working with budgets and making sure that my couples get everything they want. Package customization is definitely welcome so don't be afraid to ask.

TRAVEL FEES

All travel costs, including mileage, ferry fares, airfare, hotel & rental car are covered by my clients. I work with flat fees & mileage fees to accommodate most travel fees. However, please inquire for more details and options.

"If he is available... BOOK HIM!"

Gage was amazing from start to finish and the quality of his work is even better! We took all planning of our wedding pretty seriously and Gage was the easiest/best decision we made. He was new to the area when we booked him but the quality of his portfolio grabbed our attention so we took the "risk" of booking a newer vendor.... and I recommend you book him as well now before he blows up and becomes too successful to deal with wedding gigs.... seriously!

 I WANT TO KNOW MORE!

Q: Is the reservation fee/deposit refundable?

A: No, and here's why. Very often there are multiple couples trying to book me for the same date. So, if I commit to your wedding date, and block off that weekend for you two, that now leaves the 3-5 other couples that also wanted that date, without my services. It might be months before you decide to cancel your event and by then ive lost those other 3-5 clients.

Q: Do we need a second shooter?

A: Yes! Imagine having a second me running around covering things I may not be able to capture because Jimmy just asked me to take his picture with Jamie. This especially comes in handy when people book me for Hybrid (Photo+Video) Packages.

Q: How do you accept payment?

A: Online Payments, or Check!

Q: Do your prices include tax?

A: Tax is included in whatever collection you choose to invest in. However, if your payment is to be made online, STRIPE incurs a 3.5% charge for utilizing their services.

Q: What do we do if it's raining on our wedding day or engagement session?

A: Well, as someone who originated from Seattle, I love the rain. Some of the best and most memorable weddings/sessions have been in the rain, however I have no issue trying to reschedule with you so don't fear!

Q: Does it cost to have you travel to our wedding? How much?

A: Yes! Once again, not because I want to drain your pockets, but because traveling can be expensive on my part. Having to lug \$10,000 worth of camera equipment across the world gets expensive! Lets discuss the costs during our consultation!

Q: Can we bring our dog? Can we bring props?

A: OMG yaaassss! Props, pets, etc.!

SOUNDS GOOD TO US, HOW DO WE BOOK?

You probably still have a million questions running through your mind on how this all works and where to go from here. Don't worry I've got you. Let's jump on a quick FaceTime/Google Hangout call and I'll be sure to answer all of your questions so your one hundred million percent more confident about this!

You ready to commit to this third wheel relationship now!? Heck yeah! I require a signed contract and non-refundable 50% deposit to hold your date. The remaining balance is due 1 month before your wedding date or session.

Once all of that is taken care of, we can start dreaming up how to capture you two and all of your cute, adorable awesomness! Let's make it happen!

HOW TO BOOK

ALISON & MIKE / CAMBRIA COAST

"Our style 100%. We chose Gage for so many reasons but the biggest driver was his style.

There's a vintage, elegant feel to it. They're the kinds of photos that are timeless and everyone absolutely loves every single shot. We also had booked him for video. Hands down, the most bang for your buck. I cried watching our video. Gage felt like one of the guests when it came to familiarity but made himself scarce when those special moments were taking place. A true professional."
