There are no do-overs when it comes to "I do."

Perfect Events by Jan is a full-service wedding planning company.

Here's how we see the perfect wedding. You are ENJOYING every moment, HAVING FUN with people you love, and TRUSTING with 100% confidence that every detail is checked off. Imagine hiring your best friend as your wedding planner (the one who plans parties like a ninja and has people talking about them for weeks on end!). That's us! We coordinate an endless list of service providers and take away the risk so you have a perfectly executed and stress-free wedding experience, including: engagement announcement, rehearsal and dinner, guest hospitality, wedding ceremony, reception, and even honeymoon travel.

Planning a wedding is like building a house!

Let's meet for a personal consultation to lay the foundation and then we can determine a fair price.
