“THE
HIGHEST
HAPPINESS
ON
EARTH
IS THE
HAPPINESS
OF
MARRIAGE.”

—WILLIAM LYON PHELPS

OUR MISSION

To curate an idyllic Northwoods venue that celebrates each individual couple's love story, style and vision.

OUR VALUES

authenticity
 environment
 inclusion
 connection
 creative vision

We want to work with you to create an environment that genuinely represents you as a couple.

The Northwoods is the backdrop of your event. We cherish this space and want to share it's magic with you.

Love is love. Pinecrest Northwoods is an inclusive wedding venue. All are welcome to celebrate here.

We encourage parties to stay for 2 or 3 nights so you and all your loved ones can enjoy quality time together.

We aim to make your dream wedding a reality. We will use our extensive decor collection to bring your vision to life.

This Is Us

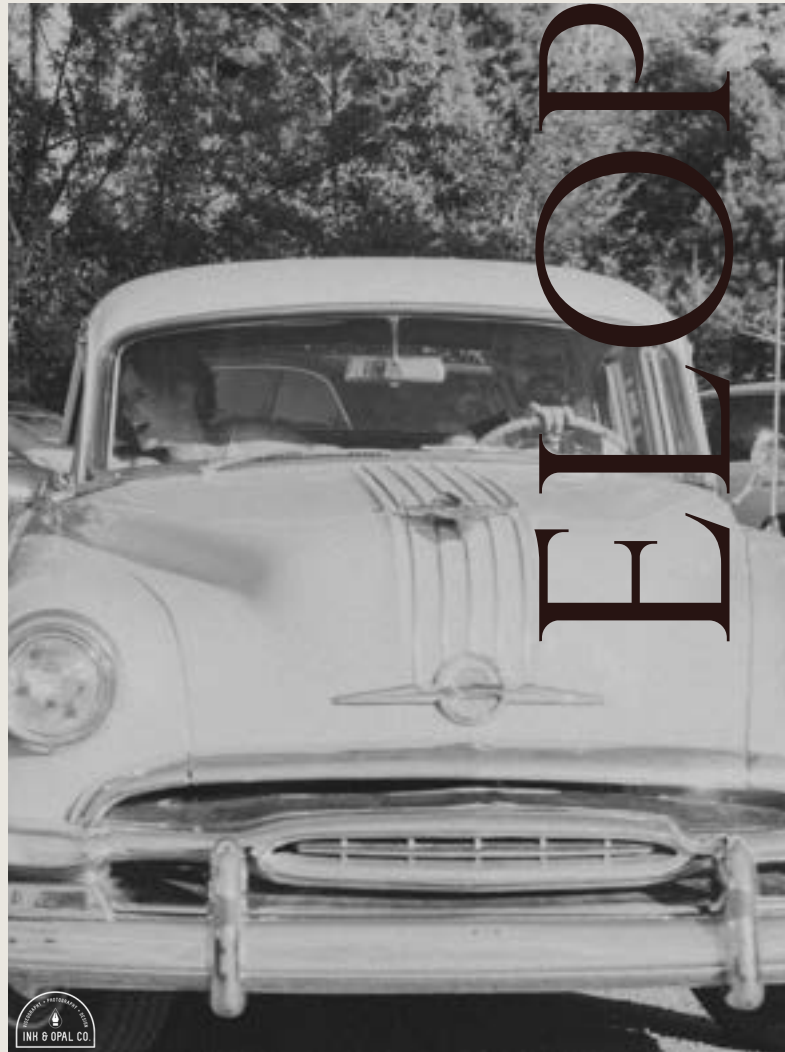

No, really! <--- That's us in the photos! Hi, we are Madi and Mike Serota, the owners of Pinecrest Northwoods. We purchased Pinecrest in 2021 and hosted our own wedding celebration here in the summer of 2022. So when we talk about how magical of a place this is to host *your* wedding, we wholeheartedly believe it.

Life in the Northwoods keeps us on our toes as we are always working to improve the venue. We are constantly renovating, reinventing and reimagining this space to make it the perfect setting for our guests. We fell in love with Pinecrest Northwoods and think you will too.

We love the property so much we live right on site. Needless to say we are very invested in preserving the historical structures and serene beauty of the land. We love antiques and all things vintage and have curated a space where time stands still and you don't know what day - or decade - it is.

We feel the little things often make a wedding special. As new business owners we are excited and ready to work with you to make every small detail of your dream wedding a reality.

ELOPEMENTS

ELOPE AT PINECREST

Eloperments at Pinecrest Northwoods are the epitome of an intimate, romantic experience. You and your partner along with up to eight of your loved ones can share in celebrating your special day amidst a blissful Northwoods setting. Profess your vows along the banks of the Michigamme River, up on the serene bluff overlooking Juncob Lake, or in the Great Room of our historic 100 year old log Lodge.

ELOPEMENT DAYS

● Eloping Made Easy

Elopement Days at Pinecrest Northwoods include all the essentials for your elopement plus a cabin for your first night(s) as a married couple. We provide the picture-perfect space, arrange for and coordinate with the officiant, the photographer, floral and decor, cake and champagne. You get to just arrive, relax, and say "I do"!

● Share the Cost

Each Elopement Day will allow for up to four couples to elope during their own private two hour elopement ceremony time slot. All of the services provided are made more affordable by sharing the cost between multiple couples - while still providing the same caliber of intimate celebration for you and your partner.

● Stay the Night

We want to make your elopement as easy as possible so each Elopement Day package includes a night in one of our cabins for you to kick back and enjoy your beautiful day.

WEDDINGS

THE LODGE AT PINECREST NORTHWOODS

The Lodge is one of the oldest buildings on the property and embodies every aspect of Pinecrest Northwoods. Guests can store and prepare food in the charming kitchen, enjoy happy hour cocktails on the spectacular wrap-around enclosed porch, and take in the stunning view of Juncob Lake while sitting fireside in the Library. The Great Room at the Lodge is a perfect setting for romantic rehearsal dinners, magical wedding ceremonies and receptions. With its large windows, vaulted ceilings, and stately fireplace, you are sure to love this versatile space.

THE BLUFF

If you are seeking an outdoor wedding location, look no further. The bluff is a magical setting for an outdoor ceremony. With up to 100 guests seated in an eclectic assortment of chairs and church pews, the wedding party will walk down the aisle made of wooden tree rounds and stand along the edge of the bluff. Juncob Lake makes a stunning backdrop as you say "I do" under the towering pines. After you and your spouse make your way back up the aisle together, your guests can hang back and mingle atop the bluff with cocktails and hors d'oeuvres.

#PINECREST IS FOR LOVERS

The trees wave and the flowers bloom in our bodies as well as our souls, and every bird song, wind song, and tremendous storm song of the rocks in the heart of the mountains is our song, our very own, and sings our love. -john muir
