2 hour engagement session with one photographer. Also includes: online gallery, USB with high-resolution files, and printing rights

## **VIDEO PACKAGE ADD ON - \$2,500**

Add on includes full wedding day coverage with a retro VHS camera and edited video of entire wedding. We recommend adding this to a photography package as the combination of crystal clear photos and nostalgic VHS style video makes for a great artistic way to remember your BIG DAY! This add on requires a second videographer to be present.

## **VINTAGE PHOTO PACKAGE ADD ON - \$2,000**

Add on includes full wedding day coverage with a myriad of different vintage film cameras. We recommend adding this to a photography package as the combination of crystal clear photos and nostalgic film style photography makes for a great way to remember your favorite wedding moments! This package requires a second photographer to be present.
