## *What do our couples have to say?*

"BellaVue was hands down the best wedding venue! We looked at a lot of different places throughout California and Arizona but when we first visited BellaVue, we knew it was the one. The courtyard is so gorgeous and private, the parking lot is huge which is where we had our cocktail hour and caterer, and the mansion plus 3 cottages was the best part! Being able to provide a place to sleep for our closest family members made the weekend so much more memorable. Especially when we had the rehearsal dinner there the night before, there was plenty of room in the mansion for everyone to eat and gather. I also loved that my husband and I could have a private cottage the night of the wedding! As everyone says, your wedding day goes by so fast and it really did. I'm excited to rent out a cottage in upcoming anniversaries to relive the best night of our lives." - Cameron and Jordan B. 2.2023
