Special Moments Edit**\$200****\$200**

The "FOMO" Edit**\$800****\$800**

Have a Fear Of Missing Out on all of the many little moments throughout your wedding day? I'm happy to offer a FOMO edit which is essentially a 3-4 hour video of everything shot that day. In other words - a glorified Home Video Edit of your special day. I drag all the footage we shot from the entire day, and place it in the Editing Timeline chronologically, and deliver it to you. I will remove horribly shaky, or duplicated shots. Film will not be colored. Film will not include background music. Delivered separately from your final Wedding Film.
