

#### THE WEDDING EXPERIENCE

OUR PROMISE IS

### TO DELIVER GREAT IMAGES

But what you may not realize is that you need a great experience with your photographer more than anything! That is exactly what we promise to give you. Over and over and over again, Get ready Photo Couples rave about their experience almost more than their images! Why? Because In order to get those natural, genuine portraits that truly capture who you are, you have to feel comfortable with the person taking them. The way you feel while you are having your portraits taken heavily influences how you feel when you see yourself in the final images. We have worked with dozens couples over the last 5 years in the DMV and we can honestly say it is 100% possible to love how you look in your images if you feel comfortable while having them taken! Creating comfortable, joyful and genuine client experiences is what we specialize in and we are excited to share more about what the Get Ready Photo Experience Includes!

## OUR PROCESS

#### **Imnitial Meeting**

We find that most of our clients book 9-15 months in advance of their wedding date. Typically, we connect right after you select your venue and finalize your date. When filling out your inquiry form, please tell me as much about yourselves as possible, and let's see if we are a good fit for your big day! We invite you to connect via video meeting to get to know us and present to you the way we work and what we do to capture the best pictures of your day, our experience goes beyond a click on a camera we will give you all the advice and help in the planning to achieve the goal. Great pictures for the years to come.

Once you determine we are a good fit for you we will write your contract and complete the booking by completing the payment of 50%. When the paperwork is done, we start planning toward the next steps and send you a set of guides that will help you along the way to your big day.

Book the date

#### **Engagement Session**

If you opt to do an engagement session, this will be the first thing we schedule after reserving your date! It is included in all our packages.

The purpose of your engagement session is to provide you with beautiful images, of course, but also to know you in person and, get you comfortable in front of my camera so everything flows naturally on the big day. We called it practice day, but it is more than that!

# Planning & final details

The solution to ensuring a relaxed, enjoyable wedding? Planning a perfect timeline! Together with your planner/coordinator, We will outline the photography portion of the day, taking the timing of events, season, lighting and venue all into consideration. The schedule will allow for an ample amount of portraits while maximizing time with your family & friends.

#### Wedding Day

All of your hard work and planning have led to this very moment! It's your turn to relax and let your trusted vendor team take over so you can be fully present.

Enjoy the moment because, We promise, it goes as quickly as everyone says it does!

You'll be able to immediately download your images and enjoy them over a glass of champagne that same evening with your new spouse! You can easily share the gallery with friends and family across the world and order prints of your favorites!

Gallery Delivery

#### Create an Heirloom Album

After your gallery is delivered, we can begin creating your lay-flat heir-loom album in your choice of linen, leather, or silk. You simply select your favorite images, and I use them to design your layout. # Frequently asked questions:

#### WHAT IS OUR SHOOTING STYLE?

We love being both interactive and discrete throughout the wedding day. There will be parts of the wedding day when I will need to be in control in order to accomplish everything that needs to be done in order to keep everyone on schedule. There will also be moments when you shouldn't even know that I'm there. (The ceremony, during dances and toasts, etc.) We teach our couples how to pose and interact during their engagement session so they are naturals on the wedding day and don't need quite as much instruction from us!

#### ENGAGEMENT TRAVEL?

We are more than willing to travel for engagement sessions! We actually love it when our couples ask us to photograph them in a location that means something special to them! We book engagement sessions at least three months in advance and include 15 miles of travel. Most of our engagement sessions are done in the DMV area however we are open to your location preferences.

#### HOW MANY IMAGES CAN I EXPECT?

We average 75-100 final images per hour that we're actively shooting throughout the day. This estimate is normally on the lower side since we tend to be overshooters. We love delivering our client's files quickly and easily via an online gallery. You will have the ability to print, share and download your images as much as you want. We believe in freely sharing our work because that is what we would want if we were in your shoes!

#### WHEN DO WE GET OUR ONLINE GALLERY?

After your wedding we'll take 4 weeks to deliver the final gallery fully edited and within 2 weeks you will receive the first sneak peek. This time frame is set because we need to select the best photos and then we will edit one by one. The editing process is when we take your pictures from great to excellent.

# BEHIND THE SCENES

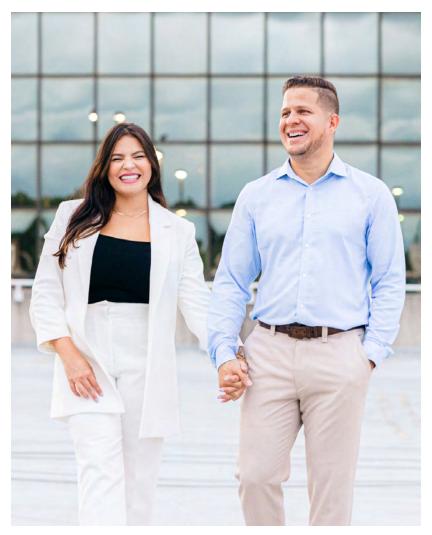

### NEXT STEPS

- · We recommend having an online meeting to get to know us, answer all your questions, and allow us to show our style and our way of creating beautiful images.
- · After confirming that we are an amazing fit for one another if you would like to move forward with reserving your date, a 50% deposit, and signed contract is due to officially save your date. The remaining balance is due 4 weeks before your wedding day.

Thank You!

We're so glad you contacted us! Enjoy this new season of engagement! Plan and prepare but always remember that when it's all said and done, all the food, the florals and the details will fade away. Once your the last song is played and you exit your reception, you'll begin your new chapter as husband and wife and you'll have your photos to remember the day it all began. Congratulations on your engagement and we look forward to hearing from you!

Xoxo, Luis & Barbara
