

We offer a FREE initial consultation (Facetime, Skype or phone); this allows you to determine if our services are what you are looking for in your wedding officiant. We are available weekdays, evenings, or weekends for FREE consultations. In most cases, all follow up questions can be addressed via email, phone or text. If an additional consultation is needed, we will meet with you to ensure your wedding ceremony is perfect.

Wedding officiant services in Austin can vary greatly and we want the bride and grooms we serve to receive the level of attention their important day deserves. Regrettably, some couples have chosen their officiant solely based on price, and then days or even hours before the ceremony have been “left at the altar.”

Ceremony Services: Standard Ceremony includes: creating your personalized wedding ceremony, including the processional, opening, exchange of vows, exchange of rings, unity ceremonies, special memories, marriage acrostics, special readings, blessings, etc., recessional and completing/filing of the marriage license.

In most cases for full ceremony services the rate is \$300.00 – \$400.00, there are some cases where it is less (based on day of the week, time and location. We offer **Elopement** services too (generally \$200.00 - \$250.00), we can marry you **virtually** (generally \$100.00 - \$250.00), we also offer ceremony packages at our **wedding venue** www.siloandoak.com in Temple TX too.

Ceremony creation only: Do you want to have a family member or good friend officiate your ceremony because of the personal connection they have with you? Do you want to make sure the ceremony is still beautiful with options that reflect you as a couple? Are you (or the person you want to perform the ceremony) searching for ceremony ideas? I am now offering my ceremony creation services and then someone else can perform the ceremony. \$250.00

Rehearsal Services: There are many coordinators and wedding planners that have great experience with coordinating the rehearsal, in those cases, do not hire two people for the same job (both the planner and I Do Ceremonies is not required). Some venues have day of coordinators that provide excellent service and our services are not needed for the rehearsal. In most cases, we are not needed for rehearsals (less than 20% of couples need this service after seeing our detailed approach, or if a coordinator or planner is assisting). If you do not have a wedding coordinator, do not worry, we have coordinated numerous rehearsals ensuring every detail is covered and we can assist. \$125.00 - \$300.00

Travel Expenses: Travel expenses vary depending on the location of the venue and the location of the Officiant that is available for your date.
