Minimum Requirement

Bridal MUAH requires a minimum of services for the Bride + 4 additional services (bridesmaids, moms, flower girls, etc.!) to secure a wedding event.

An example would be the bride and 4 bridesmaids, hair only. MUAH for the Bride + MOB, MOG and MOH, etc.

Bridal MUAH can also provide bridal party services only at a minimum of 5 services total.

MUAH Previews

Bridal Make Up and/or Hair Preview appointments are preferred 2-3 months in advance from the client's wedding date to assure accuracy. The closer, the better! If the Bride feels she may want an additional preview appointment after the initial appointment(s) have been completed, the price will be \$300 for hair, \$300 for makeup, or \$600 for both.

Make Up and Hair Previews are done during the week preferably, Monday - Thursday as Friday-Sunday are our wedding days. For brides from out of state, we are flexible!

Make Up and Hair Previews are non-refundable after the service(s) has been completed.

Additional Artists & Assistants

An additional fee of \$300 flat rate applies when more than 1 Hair Stylist or 1 Make Up Artist is needed at an event or if there is an assistant needed. Bridal MUAH Stylists and Artists can typically accommodate comfortably up to 7 services individually before additional artists/assistants are necessary.

+/- Services

Bridal MUAH recommends our Bride's input only the service count they know for sure on those services needed, and we can add more on the invoice from there. Once the contract is signed, we cannot subtract any services as we immediately hire and secure our artists to accommodate the services selected on the Questionnaire. The client is responsible for paying the total amount of services that were agreed upon when signing the contract.
