

A full-page photograph of a bride and groom celebrating with champagne. The bride, on the left, is wearing a white lace wedding dress and a veil, smiling as she opens a bottle. The groom, on the right, is wearing a light-colored blazer and jeans, spraying champagne. They are standing in a field of dry grass with mountains in the background under a warm, golden light.

## ABOUT JORDAN MIEARS

# WELCOME & HELLO

08

I've often thought about who I am. Not just as a person, but as a wife, a daughter, a sister and a friend. I've thought frequently about how I am spreading God's love and living with the intent of joy. How can I be the best I'm called to be? While I don't have all the answers, I do know my calling is this business.

I'm Jordan Mears. I am an avid crossfit goer and wine enthusiast. I am married to the kindest, most thoughtful husband, Michael. He encourages me and pushes me to new heights. I love him more than I can write on paper.

I graduated with a minor in Photographic Arts. I am a creative at heart and love to enhance an already beautiful moment with editing. I love Jesus and I give Him every credit of the success to this business. Without Him, I am nothing. I am a giver, not a taker. I believe in the power of prayer. I choose JOY in every circumstance.

I Believe you are right where you are because of your active decisions - and I take full responsibility for my future!

It's so nice to meet you.

# EXPERIENCE MIEARS FILMS

## OUR PROCESS IS BETTER THAN THE OTHERS

We're a married team, that's why. There is nothing we love more than working in-house and having our whole media team on location. There's a few benefits to doing photo and video with us! If you haven't added it on, no worries - you still can. Here's some benefits of doing video and photo together: Same cohesive style, priced more efficiently, Your photos and film will carry the same story.

*your story, told in motion*

The length of your film will be determined depending on the Collection purchased. More time, the more content. All films typically range between 5 minutes to 12 minutes. All films have copyrighted music that we purchase. Typically, We use 3-4 songs in one film. Because we own the copyrighted music, you are able to share them on your social media platforms without being flagged for copyright issues.

Every wedding film package comes with the raw ceremony footage. Looking back on my wedding day, I wish I could watch it in real time. I wish I could audibly hear Michael saying his vows to me. I wish I could watch it like I was a guest. Because of this, we include this footage. It's gold, trust me.

In addition to the ceremony footage, you are able to purchase more raw footage if needed. For example- the dances, first looks, speeches, etc.

I highly encourage asking bridesmaids or groomsmen, family members or friends to consider sharing a story for the video! It is a great way to really tie the film all together and make it even sweeter. Generally, if they have a heads up they can practice and get all the jitters out!

## COMMON QUESTIONS

# FAQ's

### I. HOW CAN WE BOOK YOU FOR OUR WEDDING?

I want to offer my bridal couples the highest quality service possible. For this reason, I only attend a limited number of weddings per year. To book us, we require \$800 down to hold your date. From there, you can pay as often as you'd like or you can opt to pay the remaining balance a month prior.

|  
29  
|

### II. ARE YOU AVAILABLE FOR TRAVEL?

We travel frequently and the majority of our couples are destination weddings. *For my national and international bridal couples, I travel all over the world. We will go where you envision.*

### III. WHAT ARE YOUR INTERNATIONAL TRAVEL COSTS?

My travel expenses vary depending upon different locations internationally. The cost for traveling to and from the destination, as well as, possible accommodation and meals is different for each wedding. *If you are traveling for your wedding, you can always discuss your ideas and requirements with me. I will be happy to create a customized package especially tailored to fit your needs.*

## COMMON QUESTIONS

# FAQ's

### IV. DO WE NEED A SECOND SHOOTER?

I recommend that you also opt for a second shooter if 80+ guests are attending your wedding. This is the best way to ensure you don't miss out on any candid moments or special details.

*When so many guests are accompanying you at a wedding party, it becomes easy to capture all the beautiful moments with the help of a professional second photographer. For example, when we are off capturing stunning bridal portraits, the second shooter can take candid pictures with different angles.*

### V. WHAT WILL HAPPEN IF IT STARTS RAINING AT OUR WEDDING?

This is the most asked question and I completely understand the concern of couples. The only thing that is out of their hands during the planning process is the weather. But is this something to be worried about? Absolutely not!

Together with you and your wedding planner, we always look out for aesthetic backup locations in case it starts raining on the big day.

From my experience, I know that on the day of the wedding, almost everything can be adapted to a new situation. Having a backup plan helps a lot too. *In essence, a few grey clouds after a rain shower can conjure up a very romantic and magical mood. In addition, having a post-wedding photo session also offers us a great opportunity to capture pictures according to your dream wedding aesthetics.*

## COMMON QUESTIONS

### VI. HOW MANY PICTURES CAN WE EXPECT AND WILL YOU EDIT THEM?

As a wedding photographer, I want to capture pictures that embody the true essence of your big day. I want them to evoke emotions and be as real, authentic, unique, and unforgettable as your wedding. This is the main reason why I put all of my energy, hard work, and sensitivity to create a bespoke experience for my lovely couples.

Starting from discussing your requirements and plans for the main day to photography process including post-processing and special retouching – I make sure to provide you with my undivided attention.

*The general rule of thumb is to expect a turnaround time of almost 6 to 8 weeks. This may vary depending upon the size and season of your wedding festivities. On average, 50 to 100 pictures are taken per hour on the wedding day. This may vary depending on whether I am accompanying you alone or with a second shooter.*

After taking the pictures, I make a qualitative selection of your images, finalizing them for special touch-ups. Blurred and shaky shots are excluded. *The final touchup includes adjustment of lightening and contrast and alignment of your pictures with special attention to natural retouching.* You will receive your images in high resolution in digital jpg format.

### VII. HOW LONG WILL VIDEO TAKE?

We aim to make every video/film the best we've ever shot / produced. The next one, will be our best one. The editing process for film is very creatively demanding and we LOVE to make sure your day is told in a cinematic way. You can expect your film to be completed within 5-7 months.

## BOOKING PROCESS

## NEXT STEPS

- I. Take your time to decide which packages and services suit you perfectly for your wedding day. Don't worry about the add-ons. *Extra coverage can be added up until the day of your wedding.*
- II. I will send you a contract. Sign the contract and pay a deposit of \$800. The rest is due a month prior. You can do a payment plan too!
- III. If you booked a collection with engagements, you need to make sure you get on the books. We schedule these 3-8 months before wedding day. If you want to save that session for an anniversary session, etc - you can.
- VI. 30 days before your wedding day, we will schedule a 30 minute call to discuss all the amazing plans and photography expectations for the wedding day. During this 30 minute call, I will walk you through the process and discuss your timeline with you so your big day can flow seamlessly.

# Our Mantra

WE LIVE IN THE SHELTER OF THE MOST HIGH WILL FIND REST IN THE SHADOW OF THE ALMIGHTY. THIS WE DECLARE ABOUT THE LORD: HE ALONE IS OUR REFUGE, OUR PLACE OF SAFETY; HE IS OUR GOD, AND WE TRUST HIM. FOR HE WILL RESCUE US FROM EVERY TRAP AND PROTECT US FROM DEADLY DISEASE. HE WILL COVER US WITH HIS FEATHERS. HE WILL SHELTER US WITH HIS WINGS. HIS FAITHFUL PROMISES ARE OUR ARMOR AND PROTECTION. WE WILL NOT BE AFRAID OF THE TERRORS OF THE NIGHT, NOR THE ARROW THAT FLIES IN THE DAY. WE WILL NOT DREAD THE DISEASE THAT STALKS IN DARKNESS, NOR THE DISASTER THAT STRIKES AT MIDDAY. THOUGH A THOUSAND FALL AT OUR SIDE, THOUGH TEN THOUSAND ARE DYING AROUND US, THESE EVILS WILL NOT TOUCH US. JUST OPEN OUR EYES, AND SEE HOW THE WICKED ARE PUNISHED. IF WE MAKE THE LORD OUR REFUGE, IF WE MAKE THE MOST HIGH OUR SHELTER, NO EVIL WILL CONQUER US; NO PLAGUE WILL COME NEAR OUR HOME. FOR HE WILL ORDER HIS ANGELS TO PROTECT US WHEREVER WE GO. THEY WILL HOLD US UP WITH THEIR HANDS SO WE WON'T EVEN HURT OUR FOOT ON A STONE. WE WILL TRAMPLE UPON LIONS AND COBRAS; WE WILL CRUSH FIERCE LIONS AND SERPENTS UNDER OUR FEET! THE LORD SAYS, "I WILL RESCUE THOSE WHO LOVE ME. I WILL PROTECT THEM WHO TRUST IN MY NAME. WHEN THEY CALL ON ME, I WILL ANSWER; I WILL BE WITH THEM IN TROUBLE. I WILL RESCUE AND HONOR THEM. I WILL REWARD THEM WITH A LONG LIFE AND GIVE THEM MY SALVATION."
