CaptureME Photo Booth

ABOUT US

Hi there, we are Joe and Jess and we are very excited your here!

We started CaptureME Photo Booth after hiring a photo booth for our wedding. The photo booth was a hit, but lacking spark and excitement. We immediately saw the need for improvement and the vision was set.

We set our goals high and wanted to offer a more affordable photo booth experience with high quality props and energetic staff who engaged with guests of all ages.

Most importantly, we are your not your average photo booth! We're a FULL Service Printing Photo Booth offering the traditional photo booth features combined with the latest technology including GIFs, Glam Booth and our newest arrival, our Vogue Booth. We come fully prepared with two 6FT tables full of props, back up equipment and our staff will always maintain a professional apperance.

ECO

OUR Booths

The LED and Prime both machines function the same, however they do look different.. Our full LED Booth is a show stopper, our most popular booth and fully lights up with LED lights. Our Slim Prime LED booth features a tilting camera making this booth ADA accessible and offers the same features and functions as our LED Booth. Eco booth has a slim profile and is completely digital; receive photos via text and email

Testimonials

"Such an amazing photo booth for our wedding!! The best and most variety of props, very attentive to guests and helpful in taking, directing, and sending photos!! So many of our guests were raving about this photo booth, such a hit!! Would absolutely recommend!!!"

-Heather Wheeler-

"Wow! We are so happy that we had Joe and Jessica with CaptureME Photo Booth at our daughters wedding! This was so fun for all ages! Looking through all the pictures from the wedding we are laughing and enjoying all of the different groups with their expressions, props, and hilarious moments. Joe and Jessica are so professional, kind, and they put together so much for the bride and groom. We received a lot of great remarks from friends and family about having the photo booth! Thank you!!"

-Gretchen Lenzner-

"I can't express how awesome Capture Me Photo Booth was!!! They had the best set up with a variety of props. Owners are so professional, patient, and friendly!! My guest even stated that was the best photo booth they've ever experienced. I highly recommend!!!"

-Jeana Salazar-

Audio Guest Book

An audio guestbook is the best way for guests to leave a personalized and unique message at a wedding, a special occasion party, or any event. It is an amazing alternative to the traditional guestbook, providing lifelong memories from friends, loved ones, and colleagues.

Guests simply pick up the handset, and record a message after the beep. Once they have finished their message they hang up! Exactly the same process if they were leaving a voicemail.

Glam Booth

Our Glam Booth, often referred to as the "Kardashian Booth", is perfect for any occasion. Glam Booth by CaptureME Photo Booth offers the classic black & white photos with a filter that seamlessly smooths out your skin, leaving you with a heavenly glow. Glam up your event with our Glam Booth and your clients will be showing off their photos for years!.

Vogue Photo Booth

As seen at high profile celebrity events, the Vogue Photo Booth features a fun 3D backdrop that guests can pose inside of. The walls of the enclosure are lined with LED lighting effects that are customizable and will create a dynamic environment for all to enjoy. It prints a variety of different photo strip layouts in about 8 seconds following the session. Ask us about our pro photography filters that allow us to create a limitless number of different photo effects.

Capture stills or animated gifs – or both! Packed with optional social media sharing features, you decide how far you want your event content shared. Optional on site printing ensures every guest leaves with a branded memento of your event.
