Features of your wedding package include:

## **FIVE-HOUR WEDDING RECEPTION**

Begin with a cocktail hour, including a private area for wedding party cocktails. Following the first hour, guests will enjoy four hours of white-glove dinner service and dancing on our mobile dance floor in one of five elegant ballrooms, along with three more hours of premium bar service resuming after dinner.

## **DEDICATED WEDDING TEAM**

Personal detailing appointments and one-on-one planning with the expert assistance of one of our dedicated wedding specialists.

## **PERSONAL MAÎTRE D'**

A dedicated maître d' will tend to the bride and groom all evening. Your maître d' will ensure each aspect of your wedding reception is executed as planned.

## **CUSTOMIZE YOUR WEDDING MENU**

Our packages allow you to customize your menu offerings. Choose from one of our four wedding packages or ask us to customize a menu catered to your tastes. You will receive a complimentary tasting for two (\$50 per additional person).

## **CUSTOM CAKE & DESSERT SERVICE**

Your package includes a custom designed wedding cake (valued at \$250) from one of our preferred bakeries (if applicable). Our expert team will cut, plate, and serve it to each of your guests (after everyone admires it, of course!)

## **CUSTOMIZE YOUR BAR**

Four-hour premium bar to include house wine, beer, and cocktails with an assortment of sodas and juices. Personalize your bar with a signature drink during cocktail hour.

## **DÉCOR**

Your choice of crisp white, ivory or black linens. Along with a complete table set including all-white china, silverware, stemmed glassware, table stanchion and number, mirror tiles, and votive candles.

## **KEEP THE PARTY GOING...**

When the reception is over, don't stop celebrating! All of your guests who are over 21 are invited to party in the casino or one of our lounges and bars.

## **OVERNIGHT ACCOMMODATIONS**

Our brides and grooms receive a complimentary overnight stay for the wedding night with each package. With two hotel towers and over 400 rooms and suites, we also offer discounted room rates for your guests.
