## next STEPS

### **STEP 1**

Take your time to decide which packages and services suit you perfectly for your wedding day. Don't worry about the add-ons. *Extra coverage can be added up until the day of your wedding.*

### **STEP 2**

It's time to schedule a meeting (personal or video call). Share with me your aesthetical expectations, requirements, ideas, dreams, and wishes, and let me know if you have any queries. After the meeting, I will send you a contract. Sign the contract and pay a deposit of 50%. A second deposit comprising 50% of the remaining amount is to be paid one month before the wedding. *The final invoice after the wedding day includes the additional (if purchased) hours, extra coverage, and add-ons.*

### **STEP 3**

30 days before your big day, we will schedule a 1 Hour call to discuss all the amazing plans and photography expectations for the wedding day. During this 1h call, I will walk you through the process and discuss your timeline with you so your big day can flow seamlessly.

### **STEP 4**

2 weeks before the wedding, we discuss these details again from the questionnaire and address any changes. *These steps are vital to have a stress-free wedding.*

# FAQ

## 01

### HOW CAN WE BOOK YOU FOR OUR WEDDING?

After a personal meeting, I will put together an individual wedding package, where I can specifically address your wishes, needs, and ideas.

As soon as I have received your signed contract and the 50% deposit for your wedding reportage, your desired date will be firmly reserved for you.

## 02

### ARE YOU AVAILABLE FOR TRAVEL?

I come from near Bull Run, and Washington D.D. are not far away. Traveling is my passion!

For my national and international bridal couples, I travel all over the U.S.A. and far beyond the borders.

## 03

### WHAT ARE YOUR TRAVEL COSTS?

My travel expenses vary depending upon different locations. The cost for traveling to and from the destination as well as possible accommodation and meals is very individual. *If you are traveling for your marriage, you can always discuss your ideas and requirements with me.*

*I will be happy to create a customized package specially tailored for you.*

## 04

### DO WE NEED A SECOND SHOOTER?

I recommend that you also opt for a second shooter if 80+ guests are attending your wedding day. This is the best way if you don't want to miss out on any candid moments or special details. *For example, when we are off capturing stunning bridal portraits, the second shooter can take candid pictures of your guests!*

**05**

## WHAT WILL HAPPEN IF IT STARTS RAINING?

This is the most asked question and I completely understand the concern of couples. The only thing that is out of their hands during the planning process is the weather. But is this something to be worried about? Absolutely not! Together with you and your wedding planner, we always look out for aesthetic backup locations in case it starts raining on the big day. In addition to this, I always have a multitude of clear umbrellas that I bring with me everywhere!

From my experience, I know that on the day of the wedding, almost everything can be adapted to a new situation. Having a backup plan helps a lot too. In essence, a few grey clouds after a rain shower can conjure up a very romantic and magical mood. In addition, having a post-wedding photo session also offers us a great opportunity to capture pictures according to your dream wedding aesthetics.

**06**

## HOW MANY PICTURES CAN WE EXPECT AND WILL YOU EDIT THEM?

As a wedding photographer, I want to capture pictures that embody the true essence of your big day. This is the main reason why I put all of my energy, and sensitivity to create a bespoke experience for my lovely couples. Starting from discussing your requirements and plans for the main day to photography process including post-processing and special retouching – I make sure to provide you with my undivided attention.

*The general rule of thumb is to expect a turnaround time of almost 6 to 8 weeks. This may vary depending on the size and season of your wedding festivities. On average, 90 to 100 pictures are clicked per hour on the wedding day. After taking the pictures, I make a qualitative selection of your images, finalizing them for special touch-ups. Blurred and shaky shots are excluded. The final touchup includes adjustment of lightening and contrast and alignment of your pictures with special attention to natural retouching. You will receive your images in high resolution in digital jpg format.*

THANK YOU  
*kindly* FOR  
*your* INQUIRY

*Thank you for your trust and unwavering support in considering me to accompany you on your iconic wedding day.*

*I want your wedding pictures to be as unique, enchanting, and authentic as you are. I wish to create picture-perfect content for you to cherish for years to come. I would be very happy to schedule a meeting with you via video call or see you in person to discuss your dream wedding vision, ideas, and wishes.*

*Please don't hesitate to reach out to me in case of any queries or suggestions regarding this pricing guide or your wedding day.*
