

SAY "I DO "

A COMPLETE GUIDE ON HOW TO PLAN THE PERFECT WEDDING

ALL ABOUT CHOOSING THE RIGHT PHOTOGRAPHER

Let's start off my choosing the perfect photographer.

1. HOW DO I PICK A PHOTOGRAPHER WHEN THERE ARE SO MANY IN MY AREA?

First off, look for a photographer that appeals to your style. Once you have a few favorites, set up a time to meet with them. & make sure you are actually meeting with the person who will be behind the camera, not a assistant or studio manager. You gotta like, trust & get along with this person, not only are they creating beautiful images for you, but you're going to be spending many hours with them!

2. HOW MANY PHOTOS DO I GET?

My brides receive all edited photos from their wedding, so depending on how long I am there they can expect anywhere between 150-500 photos. Heeey, now that sounds like a lot of photos, but remember, we are capturing all the little things you don't necessarily have time to see or pay attention to.

3. WHY IS WEDDING PHOTOGRAPHY SO EXPENSIVE?

This is a question many brides ask. I mean it seems pretty easy right - work one day & rack in the money. But many photographers including myself carry over \$10,000 in gear and work anywhere between 60-80 hours a week. (Remember those 500 images from question #2? It takes many days to edit those.) Add in insurance, taxes, software, advertising, albums, repairs, employees and shipping. It can add up fast. We do this because we love it, not because we want to be millionaires.

WHAT TO EXPECT WHEN BOOKING WITH US.

Welcome to the Cam On Photography Family!
Here are a couple of things we promise you as
your photographer!

YOUR WEDDING DAY IS SO IMPORTANT TO US.

We treat your wedding day like it was
our own. Our goal (& job) is to make the
day filled with nothing but love & joy
and to take as much stress off of you as
possible.

WE ARE YOUR ASSISTANT

Not only are we your wedding
photographer, we are there to help
with anything that will make your day
more enjoyable.

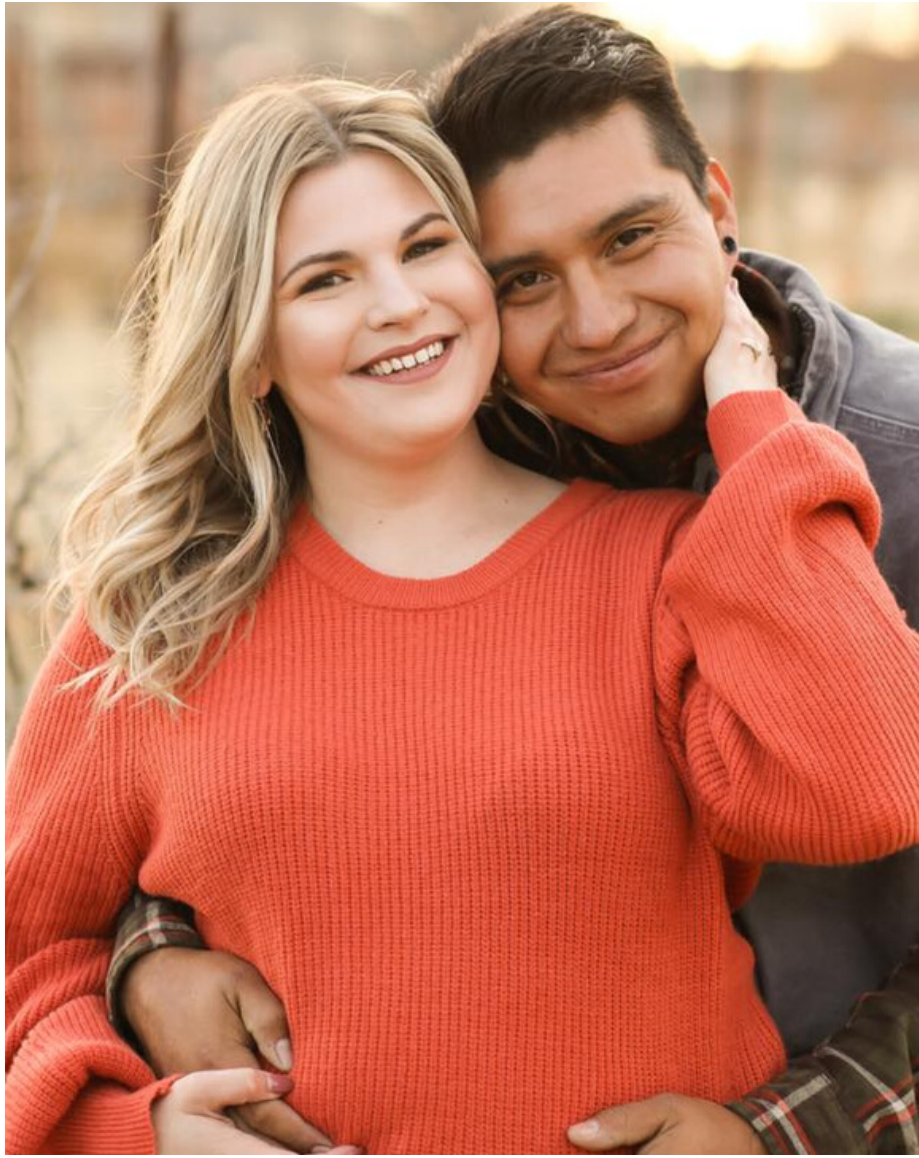

DREAM BIG

We will dream big with you. If there is
something you want to try or a photo
you just have to have, we will do our best
to create it for you!

ALL ABOUT THAT ENGAGEMENT SESSION.

Beautiful engagement photos make for beautiful wedding photos. Here's some tips on how to get those dreamy & gorgeous engagement photos!

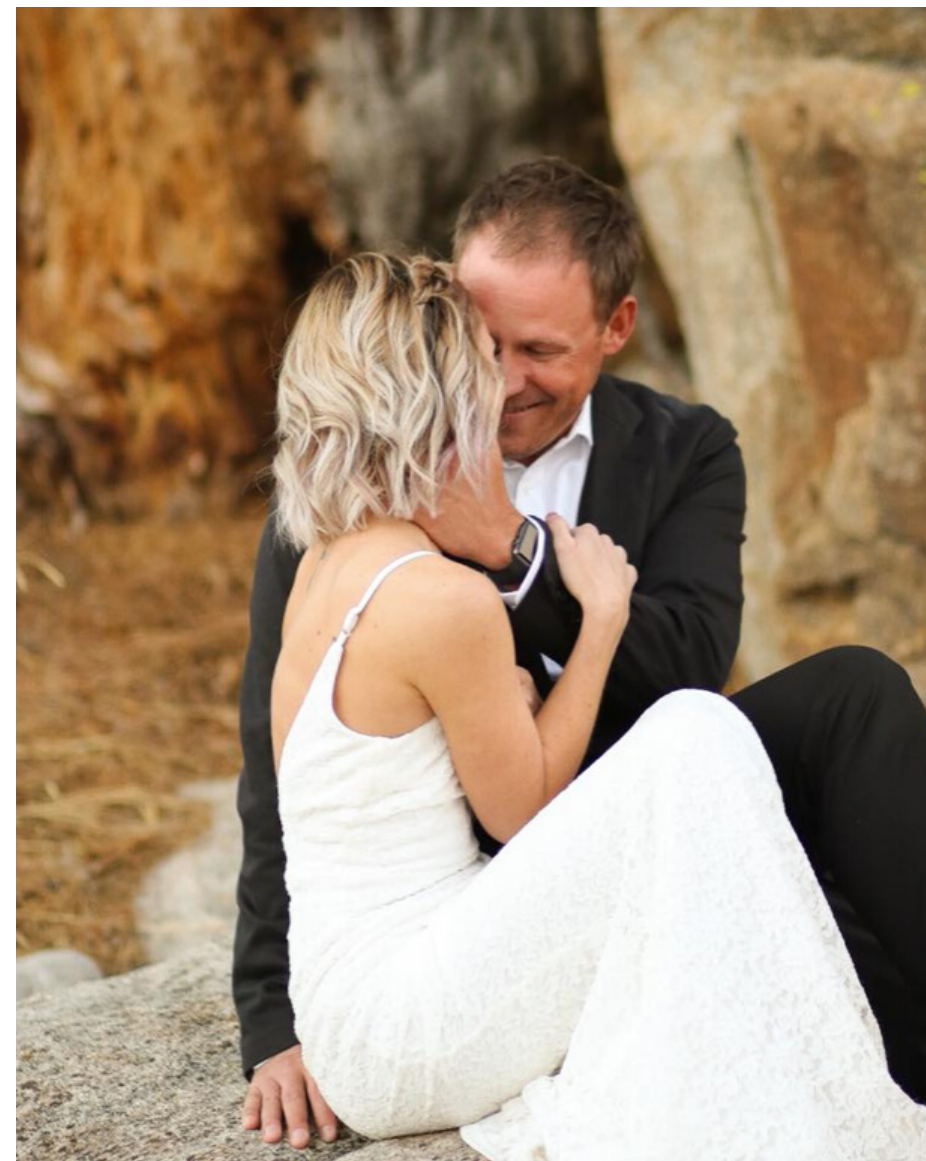

1. HOW DO WE GET THOSE JAW DROPPING PHOTOS?

This is by far the most asked question when it comes to engagement sessions & my #1 tip is outfits. You can either look really put together or really thrown together. I tell my couples there are two types of styles to choose from. 1. Relaxed & cohesive (example photo on the left or bottom left of page) 2. Formal (example center right photo) I can not stress how important outfits are to get those jaw dropping photos!

2. WHAT'S THE BEST TIME OF DAY?

I have 2 favorite times to do engagement sessions. Morning sessions at sunrise are beautiful & evening sessions at sunset or what I like to call The Golden Hour, are the best for those dreamy & airy engagement photos.

WHAT TIME OF YEAR IS BEST FOR ENGAGEMENT PHOTOS?

Now this is really up to you guys and your style & what you want to wear. Do you wanna snuggle up together, choose fall. Do you want beautiful water and trees in the background, choose spring/summer. Wanna build a snow man & drink hot chocolate, pick winter.

ALL ABOUT THE WEDDING DAY.

The biggest part of why your needing a photographer in the first place. Here's some tips n making it magical.

RELAX & TAKE IT ALL IN

This is the biggest tip I can give my couples, because the day goes by SO fast. Don't worry about the little things, I know it's hard when you just spent all your time making it perfect, but take a deep breath and enjoy your day.

TAKE SOME QUIT TIME

You just said I DO. Take some time now to relax with just each other. I'm talking 10 maybe 20 minutes to hug & kiss & cry with your new spouse without everyone hovering over you.

EAT CAKE

your probably laughing at this one, but in fact I hear from almost ALL of my brides that they didn't even get too enjoy a piece of their cake because they were to busy talking to guests. Take a break & eat a damn piece of cake!

ALL ABOUT THE POST WEDDING WAIT.

HOW LONG TILL SEE OUR PHOTOS

We ALWAYS put up a preview that night! Yes, no matter what time we get home, we want you to see some of your photos! One week later, you will see a blog post with more photos, then 4 weeks later you will receive your gallery.

HOW LONG TILL WE RECEIVE OUR ALBUMS

You can expect to see your photos 4 weeks after the wedding and your album & any specialty items 4-6 weeks after the wedding.

MEET OR MAIL

I really love to meet in person and hand deliver your gallery, so plan, if you're not too busy or a wedding we traveled to, to meet up in person to receive your beautiful gift!
