HELLO

## I'M MALKEA ELLIS

And I'm the owner and creator of the Siren & Co.! I create films for the Sophisticated & Spontaneous couple. My films will captivate you, combining the unforgettable, real-life moments with an

extraordinary and romantic editing style that will become a legend, and not an outdated VHS tape. Creating stories that aren't just told but felt, goosebumps and all!

# HOW DO YOU WANT TO REMEMBER YOUR WEDDING?

We deliver wedding films you can carry with you through the years.

## the Siren & Co. Difference

### HAERT LED

This is not your parents' wedding video. This is yours.

Told by you, lived by you and crafted by a professional filmmaker

### HAND-CRAFTED

You can go ahead and get lost in the moment. When all is said and done, you'll get to savor every last moment all over again like it's a piece of red velvet cake.

### CONNECTION

Don't miss out on getting a video of your own that tells your tale of love. I love photos for their ability to pause time, but these videos rewind time entirely.
