A Bunch More Stuff

Can we bring our own caterer? We care about you enjoying the beauty and tranquility of your surroundings, not that you spend the price of a midsize SUV on our food. You're welcome to arrange your own food service at whatever price point serves your budget. We do require that all food vendors carry the appropriate licenses and insurance. We're happy to recommend some local caterers if you like.

Can we decorate however we want to? We encourage you to be creative and make our place your own for your special day. You do have to set up and tear down your own decorations. We will help to support your vision however we can.

What is the capacity? Our base package includes amenities for up to 150 guests. Depending on where on our property you want to have your ceremony, we have the space to accommodate up to 300 guests. There would be an additional fee for extra chairs, tables, and a larger tent.

Is vendor insurance required? We require each vendor to carry its own insurance.

Do you require day-of event insurance? Yes, each couple must purchase day-of event insurance for the day of their event. \$1M of coverage can be purchased for less than \$200. You must provide proof of coverage to us no later than 1 month before your wedding day.

Do you serve alcohol? Our venue is BYOB. You may bring your own alcohol or purchase drinks through your caterer; however, all alcohol must be served by a licensed bar staff.

What is required to book your venue? We require a 25% non-refundable deposit, credit card on file, and a signed rental agreement to finalize your booking. The remainder of the fee must be paid 30 days before the event.

Can we just pop over to see the venue? Tours are by appointment only. Please call or email us to schedule a time.

What time does the party end? 10 The D.J. must be finished by 10 pm on Friday and Saturday. 9 pm on all other days. Bar staff must stop serving alcohol by 10:30 pm on all days.

Who cleans up? For a small cleanup fee of \$300 Oakwood Lane Weddings will handle all cleanup. Otherwise, you are responsible to ensure that all trash is bagged and bags placed together.
