SEATTLE PARTY SHOTS

YOUR DAY YOUR WAY

Uniquely personalized photos for your amazing day. Seattle Party Shots gives you all the choices you want! From traditional and romantic to bold and daring, we have the **looks, the filters and the newest tech** to give you and your guests the look and the fun! Everything you can imagine from custom backdrops, social media sharing, unlimited digital uploads, and stylized photo layout designs are all tailored to your **personal tastes**.

We take the ordinary photo booth and make it extraordinary. If you want something exceptional and unique, something that reflects who you are as a couple, count on us for an amazing experience. We are your choice for **photo images that are as individual and unique** as you and your friends.

Our hand-held **Mirror Portable Booth** is the latest innovation in photo booth fun! We bring the booth to our guests and double the amount of images taken from most weddings. From table to table and group to group this great interactive addition really adds to the magic and fun.
