HELLO, NEW FRIENDS!

IT'S NICE TO MEET YOU!

#### MEET DAVID

I'm a wedding filmmaker based out of New York City and I love my job.

The way I see a wedding film is that it's not just a video, it's the story of two people and their wedding day is a celebration of that love.

I focus on capturing emotion, the details and

of course the special connection between the bride and groom.

I make sure to get to know you before your wedding day so we set expectations and be fully prepared so I can prioritize you enjoying your day with your loved ones.

# Your wedding should be an adventure

# Frequent Questions

## HOW CAN I BOOK YOU FOR OUR WEDDING?

When you know what you want, or almost know what you want, or want to talk just to make sure we are the right fit for you, you can schedule a phone call to chat about the details of your wedding. Once we know that you're interested and are ready to save the date, we'll send you an online contract. We will need a signed contract from you and then you can begin making online payments toward your wedding video! Email us, text us, DM us, or call us today and let's get started!

## DO YOU INCLUDE THE RAW FOOTAGE?

Sometimes. Not all packages include Raw Footage, but the packages that do include Raw Footage will have it clearly listed. Raw footage can be added to any package before the wedding day and up to a year after the wedding.

## HOW MUCH IS THE DEPOSIT?

The deposit is required upon booking a package and it is 50% of the package deal you select, the remaining balance will need to be paid 4 weeks before the wedding.

## WHAT IS THE BEST WAY TO REACH YOU?

You can reach me by phone call or text at (929) 462-5579 or by email at [info@finlayfilms.com](mailto:info@finlayfilms.com) or on Instagram at [@finlayfilmsweddings](https://www.instagram.com/finlayfilmsweddings).

## HOW MUCH DO YOU COST?

My base package starts at \$1995, you will receive a 4 minute film and 8 hours of coverage; a steal in this current market!

## WHY SHOULD I HAVE A WEDDING VIDEO?

Photos at weddings are amazing; but, to truly be able to relive that day, nothing does it justice like having a video. A video can take you right back to that special moment.

## DO YOU ALSO DO PHOTOGRAPHY?

When it comes to weddings, I focus strictly on video. There is a lot of moving pieces that go into capturing a live event and not missing a moment. I do use outside photographers for a very competitive rate if you would like me to provide one.

## CAN YOU PUT SUBTITLES ON MY VIDEO IF OUR VOWS OR TOASTS ARE IN SPANISH OR ANOTHER LANGUAGE?

Yes! I can add Spanish and/or English subtitles to part or all of any video. There will be an additional subtitling fee, but it will be completely worth it so your entire family can enjoy your wedding video and understand all that is being said!

DO YOU HAVE MORE QUESTIONS? SEND US A NOTE. [INFO@FINLAYFILMS.COM](mailto:info@finlayfilms.com)

David was nothing but professional, creative, fun and attentive. He took on board all of the ideas we had while also giving us his knowledgeable advice and creative insights. We couldn't be happier with the finished product and would hire him for any future videographer needs. Couldn't recommend him enough!

- MALACHY & KATE

A romantic couple stands on a sandy beach at sunset. The woman, on the left, wears a white, tiered, short-sleeved dress with a lace-up back and holds a large bouquet of greenery and red flowers. The man, on the right, wears a white short-sleeved shirt and grey trousers. They are holding hands, and the man is looking at the woman with a smile. The background shows a dark, rocky coastline under a warm, orange-hued sky.
