EDIT DESCRIPTIONS

Wedding Trailer – (2 to 4 minutes) A Hollywood movie preview, teaser, or preview of your wedding (or wedding video). Released or shared online before the wedding even commences. Can also be made as a "Save The Date" Video. \$1200 for Filming & Edit

Love Story – (3-6 minutes) A story of how you met, how your relationship grew, how you were engaged and what you feel at the moment. Filmed before the wedding. The Love Story can be played at your reception and gives your guests a glimpse into your history and the love you share with each other; it is a real crowd pleaser! (Can also be Save The Date). \$1000 Filming & Edit

The Highlight Vignette (or Montage) – (3 to 5 minutes) Quicker moving edit sort of like a music video. The Vignette can be fast, fun and entertaining or touching and romantic. Emphasizing the highlight moments of the wedding. This edit is great for public online sharing or viewing on a hand-held device \$500 for add on edit

Wedding Featurette – (8 to 14 minutes) Beautifully edited video that tells the story of your wedding day in a very entertaining and touching way. The Wedding Featurette will be the video that you will show your family and friends. (\$800 Edit add on).

Documentary Edit – (25 minutes to 1 hour running time) Your complete wedding told in a natural, organic, way that lets the whole wedding unfold naturally. It includes the complete ceremony and vows, multi-camera angles edited together, and most memorable scenes captured throughout the day. Most of the natural audio is also retained. *Please note: this type of edit requires special planning prior to filming the event. We must know **in advance** to filming for a documentary edit you want so we can plan to get the necessary coverage during the ceremony and reception. This edit may be optionally included in Package D in the ULTIMATE package. (\$1000 add-on edit).*
