## WHAT OUR CLIENTS ARE SAYING

### **“WORKING WITH MATIAS FOR OUR WEDDING WAS A DREAM**

-- not only is his work amazing, he is such a fun, kind, and caring person. He makes you feel great when he's working with you and you can tell how thoughtful he is in his craft.

### **EVERY PHOTO WAS BEAUTIFUL AND HE DOESN'T MISS A SINGLE DETAIL.**

Our guests who have seen the photos cannot stop raving about how amazing they turned out and all the credit goes to Matias. You will be working with someone who cares deeply about his work, making you feel comfortable, and giving lots of positive affirmation throughout the entire process. If you are even thinking about Matias for your wedding or any photography session - do it!”

---

“From our very first meeting, it was clear to see how at ease we would be having Matias photograph our wedding. His personality was so comfortable and friendly we could not help but think of him as one of our own friends. Receiving the photos after our wedding, my wife and I flipped through our gorgeous photos for hours in awe.

### **MATIAS AND HIS TEAM HAD DONE SUCH AN AMAZING JOB CAPTURING OUR VISION. THE PHOTOS WERE EXACTLY WHAT WE HOPED FOR.”**

Matias made it comfortable, easy, and fun-I truly didn't think that was possible! He went above and beyond to keep me calm and stress free. **I AM FOREVER GRATEFUL!!”**

### **“MATIAS CAPTURED OUR WEDDING DAY**

**PERFECTLY.** I researched photographers in Maui for weeks and I couldn't be happier I chose Matias. The photos are amazing, romantic and magical. He blew us away. We love every photo and he captured every moment of our special day. If you're contemplating, just book him now. Truly - worth it! **THANK YOU! YOU ARE A TRUE PROFESSIONAL AND A MASTER AT WHAT YOU DO!”**

“Words cannot describe how amazing working with Matias was. If you follow any of his social media, you know how fun and passionate of a person and photographer he is. **HE IS AS GENUINE OF A PERSON YOU WILL MEET, AND HIS WORK REFLECTS HIS PASSION AND SKILL.**

From the moment he began taking photos, the first thing that comes to mind is how natural and comfortable he made us, and everyone involved feel. We were both really nervous on our wedding day and he picked up on that so quickly and put us in situations to feel more comfortable. He kept us laughing the entire time, which made for great candid shots.

### **BESIDES HIS WONDERFUL PERSONALITY, OUR WEDDING PICTURES ARE THE MOST BEAUTIFUL WORKS OF ART.**

He obsesses about lighting and capturing the correct shot, but somehow does it all so naturally. There were many times throughout the wedding that I completely even forgot he was there but he was capturing the most amazing images of us. We have gotten SO many complements on our wedding photos, and people have said they belong in a magazine. “

### **“MATIAS WAS ABSOLUTELY AMAZING! HE IS PASSIONATE ABOUT HIS WORK, AND HIS CREATIVITY IS SECOND TO NONE.**

He made our time with him so easy with his fun personality! Not to mention that he made our wedding photos breathtaking, I am so in love with them. I would highly recommend Matias to anybody that is looking for someone who will make their own special moment live beautifully forever as well! We loved him!”

---

“Working with Matias was amazing from start to finish!!! **HE BLEW US AWAY WITH HOW COMMUNICATIVE, PROFESSIONAL, EASY-GOING, GENUINE, AND FUN HE WAS! THE PHOTOS WERE STUNNING, AND WE GOT THEM BACK VERY QUICKLY.** If you're thinking about working with Matias, don't hesitate! He is the best.”
