Congratulations on your engagement!

My name is Gretchen Marilyn Perello. I am a certified licensed beauty professional based out of Tampa, FL, specializing in natural makeup and hairstyles. My journey started after I was blessed with my son 8 years ago. I decided to take cosmetology as my career and focus on makeup and eyelash extensions. After years of selfcare I knew working with nontoxic makeup and skin products was my passion. This has brought me my natural creative flare for bridal.

## BRIDAL MAKEUP & HAIR

Brides are the first thing others see when walking down the aisle. Creating a beautiful first impression of yourself is important and easy to achieve. Each application I do is specifically tailored to your personality, health, skin type and style. Getting ready for your big day can be stressful. My goal is to make you feel beautiful on the outside as you do on the inside. I will make My part of your wedding go as easy as possible. Everything needs to be ready and just right.

I can't wait to meet you and help create the wedding of your dreams.

### *Client Review*

Perfection!!!

I as the bride felt so comfortable with Gigi and her team.

They were personable, on time and extremely talented.

My hair and makeup stayed looking fresh and beautiful the entire night.

Thank you for going above and beyond my expectations.

My bridesmaids also fell in love with their hair and makeup.

Thank you again!
