WHO WE ARE AND WHY WEDDING FILMS

Hi, we're Josh & Micah DeVries!
(Pronounced Deh-Vreez. Don't worry, it's ok if you still say Deh-Vrize - we answer to almost anything!) In September 2007, we met in a rehearsal room for a college production of *Crazy For You*. Micah was quickly drawn to Josh's quiet and mysterious persona, while Josh found himself drawn to Micah's friendly, easy going demeanor. Several years into our friendship, we finally confessed our secret crush on each other, and now a marriage, a cat, and three kiddos later, the rest is, as they say, history.

In 2015, we started our wedding filmmaking career as a husband & wife duo. With Josh's natural creativity and love for all things technical combined with Micah's eye for detail and ability to connect with clients, we've made a pretty good team. We often get jokes about how hard it must be to work with your spouse, but we truly believe it is a gift to get to work alongside each other. And after filming over 100 weddings together, we still like each other! Most importantly, we feel honored to get the opportunity to create the film that you will show your future children and grandchildren one day. That's pretty special.
